

PINOLE CITY COUNCIL AGENDA

TUESDAY
FEBRUARY 4, 2020

6:00 P.M.

2131 Pear Street, Pinole, California

.....

Roy Swearingen, Mayor
Norma Martinez-Rubin, Council Member
Peter Murray, Council Member
Vincent Salimi, Council Member
Anthony Tave, Council Member

Public Comment: The public is encouraged to address the City Council on any matter listed on the agenda or on any other matter within its jurisdiction subject to the rules of decorum described in Council Resolution 2019-03. If you wish to address the City Council, please complete the gold card that is provided at the rear entrance to the Council Chambers and hand the card to the City Clerk. City Council will hear public comment on items listed on the agenda during discussion of the matter and prior to a vote. City Council will hear public comment on matters **not** listed on the agenda during Citizens to be Heard, Agenda Item 5.

Americans With Disabilities Act: In compliance with the Americans With Disabilities Act of 1990, if you need special assistance to participate in a City Meeting or you need a copy of the agenda, or the agenda packet in an appropriate alternative format, please contact the City Clerk's Office at (510) 724-8928. Notification at least 48 hours prior to the meeting or time when services are needed will assist the City staff in assuring that reasonable arrangements can be made to provide accessibility to the meeting or service. Assisted listening devices are available at this meeting. Ask the City Clerk if you desire to use this device.

Note: Staff reports are available for inspection at the Office of the City Clerk, City Hall, 2131 Pear Street during regular business hours, 8:00 a.m. to 4:30 p.m. Monday – Thursday, and on the City Website at www.ci.pinole.ca.us. You may also contact the City Clerk via e-mail at hiopu@ci.pinole.ca.us

COUNCIL MEETINGS ARE TELEVISED LIVE ON CHANNEL 26. They are retelecast the following Thursday at 6:00 p.m. The Community TV Channel 26 schedule is published on the city's website at www.ci.pinole.ca.us. City Council meetings are video-streamed live on the City's website, and remain archived on the site for five (5) years.

Ralph M. Brown Act. Gov. Code § 54950. *In enacting this chapter, the Legislature finds and declares that the public commissions, boards and councils and the other public agencies in this State exist to aid in the conduct of the people's business. It is the intent of the law that their actions be taken openly and that their deliberations be conducted openly. The people of this State do not yield their sovereignty to the agencies, which serve them. The people, in delegating authority, do not give their public servants the right to decide what is good for the people to know and what is not good for them to know. The people insist on remaining informed so that they may retain control over the instruments they have created.*

1. CALL TO ORDER & PLEDGE OF ALLEGIANCE IN HONOR OF THE US MILITARY TROOPS

2. ROLL CALL, CITY CLERK'S REPORT & STATEMENT OF CONFLICT

An official who has a conflict must, prior to consideration of the decision: (1) publicly identify in detail the financial interest that causes the conflict; (2) recuse himself /herself from discussing and voting on the matter; and (3) leave the room until after the decision has been made, Cal. Gov't Code § 87105.

3. CONVENE TO A CLOSED SESSION

Citizens may address the Council regarding a Closed Session item prior to the Council adjourning into the Closed Session, by first providing a speaker card to the City Clerk.

CITY COUNCIL REPORT

7C

DATE: FEBRUARY 4, 2020

TO: HONORABLE MAYOR AND COUNCIL MEMBERS

FROM: ERIC S. CASH, CITY ATTORNEY

COPY: ANDREW MURRAY, CITY MANAGER

SUBJECT: ORDINANCE AMENDING THE PINOLE ZONING CODE TO
CHANGE THE APPROVAL AUTHORITY FOR DESIGN REVIEW OF
SINGLE FAMILY HOMES

RECOMMENDATION

Staff recommends that the City Council waive the second reading of and adopt the proposed ordinance that would change the approving authority for design review of single family homes from the Zoning Administrator to the Planning Commission.

BACKGROUND & DISCUSSION

The City of Pinole currently requires that the architectural design of all new development projects and certain types of home remodels be reviewed and approved by the City prior to construction. The City divides projects into two categories for the purpose of design review, Comprehensive Design Review for larger projects, and Administrative Design Review for smaller projects. The approval authority for Comprehensive Design Review is the Planning Commission. The approval authority for Administrative Design Review is the Zoning Administrator.

Design review for single family homes is currently subject to Administrative Design Review handled by the Zoning Administrator. On January 21, 2020, the City Council considered a proposed ordinance that would amend the Zoning Code so that design review for single family homes would be handled by the Planning Commission, not the Zoning Administrator. The City Council voted 4-1 to introduce the proposed ordinance. The staff report from the January 21, 2020 meeting, which provides more background regarding the proposed ordinance, is included as Exhibit B to this report.

FISCAL IMPACT

There will be no direct fiscal impact if the City Council adopts the proposed ordinance. Any additional increased costs will be recovered by the City through increased application and processing fees

ORDINANCE NO. 2020-01

**AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF PINOLE
AMENDING TITLE 17 REGARDING THE APPROVAL AUTHORITY FOR REVIEW
FOR SINGLE FAMILY DESIGN REVIEW**

WHEREAS, the City currently requires design review for all new development projects and certain types of remodels; and

WHEREAS, the purpose of design review is to promote the orderly and harmonious growth of the city, to encourage development in keeping with the desired character of the city, and to ensure physical and functional compatibility between uses; and

WHEREAS, Administrative Design Review is for smaller projects, and the approval authority is the Zoning Administrator; and

WHEREAS, Comprehensive Design Review is generally for larger project, and the approval authority is the Planning Commission; and

WHEREAS, new single family homes were previously subject to Comprehensive Design Review, but are currently subject to Administrative Design Review; and

WHEREAS, the City Council desires to amend the Zoning Code so that design review for new single family homes is conducted by the Planning Commission; and

WHEREAS, Planning Commission review ensures that projects are reviewed by multiple individuals and provides a greater opportunity for community engagement and feedback on proposed project, and therefore fulfills the purposes of the design review process; and

WHEREAS, the Planning Commission held a duly noticed public hearing to consider the proposed amendments to the Zoning Code on December 16, 2019, at which time all interested persons had the opportunity to be heard; and

WHEREAS, after close of the public hearing, the Planning Commission recommended that the City Council not adopt the proposed amendments to the Zoning Code; and

WHEREAS, the City Council held a duly noticed public hearing to consider the proposed amendments to the Zoning Code on January 21, 2020, at which time all interested persons had the opportunity to be heard; and

WHEREAS, after the close of the public hearing, the City Council considered all public comments received both before and during the public hearing, the presentation by city staff, the staff report, and all other pertinent documents regarding the proposed zoning code amendment; and

ATTACHMENT A

WHEREAS, the City Council finds that the proposed amendments to the Zoning Code are consistent with and support the Pinole General Plan by helping to preserve and enhance high-quality residential neighborhoods; and

WHEREAS, the City Council finds that the proposed Zoning Code amendment is intended to transfer design review authority for single family homes to the Planning Commission to increase community participation in ensuring the aesthetic quality of the City; and

WHEREAS, the City Council desires to adopt the proposed changes to the Zoning Code.

NOW, THEREFORE, the City Council of the City of Pinole does ordain as follows:

Section 1. Recitals.

The above recitals are true and correct and made a part of this Ordinance.

Section 2. Municipal Code Amendment – Section 17.12.080.

Section 17.12.080, “Administrative Design Review”, is hereby amended to read as follows (deletions in ~~strike through~~; additions in underline) :

“17.12.080 ADMINISTRATIVE DESIGN REVIEW

A. Purpose. The purpose of Administrative Design Review is to provide an efficient process for promoting the orderly and harmonious growth of the city, to encourage development in keeping with the desired character of the city, and to ensure physical and functional compatibility between uses. Administrative design review is intended to provide a process for consideration of minor development proposals to ensure that additions and alterations to the design and layout of existing development will constitute suitable development and will not result in a detriment to the city or to the environment.

B. Applicability. Administrative design review is required for all structural additions to single family, multi-family and non-residential structures. Additions for multi-family and non-residential structures that are five hundred (500) square feet or larger require comprehensive design review. Furthermore, all new single family homes shall require comprehensive design review. Issues related to fire and public works compliance are addressed during the plan check process. Issues related to Building Code compliance are addressed at time of building permit issuance.

C. Approving Authority. The designated approving authority for administrative design review is the Community Development Director. Administrative design review approval is required prior to issuance of any building permits or site improvement plans.

D. Application Contents. The application for an administrative design review shall be on a form prepared as prescribed by the Community Development Director.

ATTACHMENT A

E. Procedure. The procedures for administrative design review shall be as provided in Chapter 17.10 (General Application Processing Procedures) except as provided below:

1. No public hearing shall be required unless required below.
2. The city shall provide mailed notice pursuant to Section 17.10.050.B.2. that the city is considering an application for administrative design review. In addition to the content required under Section 17.10.050B., the mailed notice shall advise persons that plans for the project are available for public review at City Hall and that the application will be decided unless a written request for hearing is received by the City Community Development Department on or before a date specified in the notice, which shall be at least ten (10) working days after the date of mailing.
3. If no timely written request for hearing is filed, the application shall be administratively approved by the Community Development Director if it is deemed to be consistent with the provisions of this title.
4. If a timely written request for hearing is filed, the application shall no longer be administratively processed and shall instead be processed in accordance with the procedures for comprehensive design review.
5. The Community Development Director may elevate any project to the comprehensive design review process if in the opinion of the Community Development Director, such project, because of location, size, design, or other aspect of the project, warrants a hearing before the Planning Commission.

F. Approval Findings. The approving authority shall make the following findings to approve or conditionally approve an administrative design review application:

1. Compliance with the general plan and any applicable specific plans.
2. Compliance with applicable provisions of the Zoning Code.
3. Compatibility with the surrounding neighborhood.
4. Qualifying single-family residential, multi-family residential, and residential mixed-use projects shall comply with all relevant standards and guidelines in the city's currently adopted design guidelines for residential development.

G. Appeals. Appeal of the approving authority's action on the request for administrative design review permit shall be made in accordance with the procedures specified in Section 17.10.070 (Appeals).

H. Expiration. All approved administrative design review permits are subject to the provisions set forth in Section 17.10.120 (Revocation)."

Section 3. Municipal Code Amendment – Section 17.12.150.

Section 17.12.150, "Comprehensive Design Review", is hereby amended to read as follows (deletions in ~~strike through~~; additions in underline) :

"17.12.150 COMPREHENSIVE DESIGN REVIEW

A. Purpose. The purpose of comprehensive design review is to provide a process for promoting the orderly and harmonious growth of the city, to encourage development in keeping

ATTACHMENT A

with the desired character of the city, and to ensure physical and functional compatibility between uses. This comprehensive design review is intended to provide a process for consideration of development proposals to ensure that the design and layout of commercial, retail, industrial or institutional uses, or multi-family residential development will constitute suitable development and will not result in a detriment to the City of Pinole or to the environment.

B. Applicability. A comprehensive design review permit is required for the following items:

1. New single-family and multi-family residential development;
2. New non-residential development (e.g., commercial, office, industrial, public/quasi-public);
3. Additions to existing multi-family and non-residential structures equal to or greater than 500 square feet; and
4. Any item not listed in Section [17.12.150.C](#), for which the Community Development Director determines that a comprehensive design review permit is required.

C. Exemptions. The following structures and activities are exempt from comprehensive design review. However, such structures may require additional permits, such as a building permit, and plan check to ensure compliance with adopted Building Code and related construction code standards and applicable Zoning Code provisions and public works encroachment permits.

1. ~~Single-family homes when consistent with the City of Pinole Residential Design Criteria and Guidelines~~ Accessory Dwelling Units, regardless of size.
2. Additions to a single-family home of less than 500 square feet when consistent with the City of Pinole Residential Design Criteria and Guidelines.
3. Additions to multi-family and non-residential structures less than five hundred (500) square feet in size.
4. Accessory structures consistent with the provisions of this title.
5. Installation of signs.
6. Repairs and maintenance to the site or existing structures that do not add to, enlarge, or expand the area occupied by the structure or the gross floor area of the structure.
7. Interior alterations that do not increase the gross floor area within the structure or change/expand the permitted use of the structure (e.g., tenant improvements).
8. Construction, alteration, or maintenance by a public utility or public agency of underground or overhead utilities intended to service existing or nearby approved developments (e.g., water, gas, electric or telecommunication supply or disposal systems, including wires, mains, drains, sewers, pipes, conduits, cables, fire-alarm boxes, police call boxes, traffic signals, hydrants, and similar facilities and equipment).
9. Alteration or maintenance of public park and recreation facilities.

D. Approving Authority. The designated approving authority for comprehensive design review is the Planning Commission. Comprehensive design review approval is required prior to issuance of any ministerial building permits or site improvement plans and prior to or in conjunction with discretionary action of corresponding development applications (e.g., conditional use permit, variance). Comprehensive actions include, but are not limited to, new construction and wholesale redevelopment of existing sites.

ATTACHMENT A

E. Application Content. The application for a comprehensive design review shall be on a form prepared as prescribed by the Community Development Director.

F. Public Hearing/Notice. The city shall provide notice and a public hearing for continuation of the approval, modification, revocation or appeal of an application for a comprehensive design review in accordance with Section 17.10.50 (Public Hearing and Public Notice).

G. Approval Findings. A comprehensive design review permit or any modification thereto shall be granted only when the designated approving authority makes all of the following findings:

1. The proposed project is consistent with the objectives of the general plan and complies with applicable zoning regulations, planned development, master plan or specific plan provisions, improvement standards, and other applicable standards and regulations adopted by the city;
2. The proposed project will not create conflicts with vehicular, bicycle, or pedestrian transportation modes of circulation;
3. The site layout (orientation and placement of buildings and parking areas), as well as the landscaping, lighting, and other development features, are compatible with and complement the existing surrounding environment and ultimate character of the area under the general plan and applicable specific plans; and
4. Qualifying single-family residential, multi-family residential, and residential mixed-use projects shall comply with all relevant standards and guidelines in the city's currently adopted design guidelines for residential development.

H. Considerations. In conducting comprehensive design review, the designated approving authority shall consider the following:

1. Considerations relating to site layout, the orientation and location of building, signs, other structures, open spaces, landscaping, and other development features in relation to the physical characteristics, zoning, and land use of the site and surrounding properties.
2. Considerations relating to traffic, safety, and traffic congestion, including the effect of the development plan on traffic conditions on abutting streets, the layout of the site with respect to locations and dimensions of vehicular and pedestrian entrances, exits, driveways, and walkways, the adequacy of off-street parking facilities to prevent traffic congestion, and the circulation patterns within the boundaries of the development.
3. Considerations necessary to ensure that the proposed development is consistent with the general plan and all applicable specific plans or other city plans, including, but not limited to, the density of residential units.
4. Considerations relating to the availability of city services, including, but not limited to, water, sewer, drainage, police and fire, and whether such services are adequate based upon city standards.

I. Conditions/Guarantees. The approving authority may impose conditions and/or require guarantees for comprehensive design review to ensure compliance with this section and other applicable provisions of this title and to prevent adverse or detrimental impact to the surrounding neighborhood.

ATTACHMENT A

J. Permit Issuance. The final action on comprehensive design review by the approving authority shall constitute approval of the permit. Such permit shall only become valid after the designated appeal period has been completed, per the provisions as set forth in Section 17.10.80 (Effective Date).

K. Appeals. Appeal of the approving authority's action on the request for a comprehensive design review permit shall be made in accordance with the procedures specified in Section 17.10.070 (Appeals).

L. Expiration. All approved comprehensive design review permits are subject to the provisions set forth in Section 17.10.100 (Permit Time Limits, Extensions and Expiration)."

Section 4. Severability.

If any provision of this Ordinance or the application thereof to any person or circumstance is held invalid, the remainder of this Ordinance, including the application of such part or provision to other persons or circumstances shall not be affected thereby and shall continue in full force and effect. To this end, provisions of this Ordinance are severable. The City Council of the City of Pinole hereby declares that it would have passed each section, subsection, subdivision, paragraph, sentence, clause, or phrase hereof irrespective of the fact that any one or more sections, subsections, subdivisions, paragraphs, sentences, clauses, or phrases be held unconstitutional, invalid, or unenforceable.

Section 6. California Environmental Quality Act ("CEQA").

The proposed amendments are exempt from CEQA based on the rule set forth in CEQA Guidelines Section 15061(b)(3) that CEQA applies only to projects which have the potential for causing a significant effect on the environment. As a series of text amendments and additions, it can be seen with certainty that there is no possibility that the proposed amendments to the Zoning Code will have a significant effect on the environment.

Section 7. Effective Date.

In accordance with California Government Code Section 36937, this Ordinance shall take effect and be in force on the thirty-first day after adoption.

Section 8. Publication.

Within fifteen (15) days after the passage of this Ordinance the City Clerk shall cause this Ordinance or a summary thereof to be published or to be posted in at least three public places in the City of Pinole in accordance with the requirements of California Government Code Section 36933.

CITY COUNCIL REPORT

**ATTACHMENT B
2/4/2020 ITEM 7C
8A**

DATE: JANUARY 21, 2020

TO: HONORABLE MAYOR AND COUNCIL MEMBERS

FROM: ERIC S. CASHER, CITY ATTORNEY

COPY: ANDREW MURRAY, CITY MANAGER

**SUBJECT: ORDINANCE AMENDING THE PINOLE ZONING CODE TO
CHANGE THE APPROVAL AUTHORITY FOR DESIGN REVIEW OF
SINGLE FAMILY HOMES**

RECOMMENDATION

Staff recommends that the City Council consider a potential Zoning Code amendment (ZCA 20-01) that would change the approving authority for design review of single family homes from the Zoning Administrator to the Planning Commission.

BACKGROUND

The City of Pinole currently requires that the architectural design of all new development projects and certain types of home remodels be reviewed and approved by the City prior to construction. The purpose of design review is to promote the orderly and harmonious growth of the City, to encourage development to keep with the desired character of the City, and to ensure physical and functional compatibility between uses.

The City divides projects into two categories for the purpose of design review, Comprehensive Design Review for larger projects, and Administrative Design Review for smaller projects. The approval authority for Comprehensive Design Review is the Planning Commission. The approval authority for Administrative Design Review is the Zoning Administrator.

Design review for single family homes was historically handled by the Planning Commission or a similar Council-appointed commission. However, in 2010 the City Council amended the Zoning Code to change the approving authority from the Planning Commission to the Zoning Administrator in order to decrease delays for projects that are generally uncontroversial.

Recently, the City Council directed the Municipal Code Update Subcommittee to consider an amendment to the Zoning Code to return the authority for design review of single family residential development projects to the Planning Commission. The

Municipal Code Update Subcommittee met on October 25, 2019, and directed the City Attorney's Office to prepare an amendment to the Zoning Code transferring design review authority from the Zoning Administrator to the Planning Commission. The Planning Commission considered the proposed Zoning Code amendment at its December 16, 2019 meeting, and unanimously recommended that the City Council keep design review authority for single family homes with the Zoning Administrator and not adopt the ordinance amending the Zoning Code.

DISCUSSION

The City currently has two types of design review: Comprehensive Design Review and Administrative Design Review. Comprehensive Design Review is generally for larger project, and the approval authority is the Planning Commission. (PMC § 17.12.150.) The Planning Commission's decision can be appealed to the City Council. Administrative Design Review is for smaller projects, and the approval authority is the Zoning Administrator. (PMC § 17.12.080.) The Zoning Administrator's decision can be appealed to the Planning Commission. Currently, single family homes that are consistent with adopted standards, such as height and setback requirements, are subject to Administrative Design Review. (PMC § 17.12.150(c)(1).) Regardless of whether the Planning Commission or Zoning Administrator conducts the review, in order for design review approval to be given, certain findings must be made, including that the project complies with all applicable provisions of the Zoning Code and is compatible with the surrounding neighborhood.

Design review for single family homes was historically handled by the Planning Commission or a similar Council-appointed commission. However, in 2010 the City Council amended the Zoning Code to change the approving authority in order to decrease the processing time for projects that are generally uncontroversial. Notice that the Zoning Administrator is considering a project, and notice of the Zoning Administrator's decision, are mailed to property owners within 300 feet of the project. The Decisions of the Zoning Administrator can be appealed to the Planning Commission. In addition, the Zoning Administrator may choose to refer a single family home to the Planning Commission for Comprehensive Design Review Process.

If the proposed amendment to the Zoning Code is approved, design review for single family homes will be handled by the Planning Commission, not the Zoning Administrator. Currently single family homes are only reviewed by the Planning Commission if there is an appeal.

The Planning Commission considered the proposed Zoning Code amendment at its December 16, 2019 meeting. The Planning Commission unanimously recommended (with 2 commissioners absent) that the City Council keep design review authority for single family homes with the Zoning Administrator and not adopt the amendment transferring authority to the Planning Commission. Commissioners stated that they thought the current process was working fine and did not need to be changed. Some

commissioners expressed concern that requiring Planning Commission approval would delay projects and increase costs for applicants.

In considering the proposed amendments, the City Council should be aware of relevant State laws. Over the last few years, in response to the State's housing crisis, the State Legislature has imposed limits on the discretionary authority of cities regarding housing projects. The Housing Accountability Act prohibits the City from denying a project that satisfies all objective standards adopted by the City. Similarly, the Housing Crisis Act, which goes into effect on January 1, 2020, prohibits the City from adopting any new subjective design standards for housing projects.

An objective design standard is one that requires no subjective judgment by a public official and is uniformly verifiable. For example, a requirement that a home be no larger than 3,000 square feet is an objective standard. In contrast, a requirement that a home be "compatible" with the neighborhood is a subjective standard. The City is using a state grant funded by SB 2 to, in part, create objective design guidelines to ensure appropriate design aesthetics in Pinole. While these and other similar laws do not prohibit the City from establishing aesthetic requirements for housing projects, and do not prohibit the City Council from making the Planning Commission responsible for design review for single family homes, they do mean that the City may have difficulty enforcing subjective design requirements for certain housing projects.

FISCAL IMPACT

There will be no direct fiscal impact if the City Council adopts the proposed ordinance. Design review for single family homes by the Planning Commission will require increased staff time, but those costs will be recovered by the City through increased application and processing fees for single family homes. The fee for administrative design review is currently \$549, and the fee for comprehensive design review is currently \$2,679.

A – Proposed Ordinance

CITY COUNCIL REPORT

7D

DATE: FEBRUARY 4, 2020

TO: MAYOR AND COUNCIL MEMBERS

**FROM: ANDREA MILLER, FINANCE DIRECTOR
DEBBIE LONG, CITY TREASURER**

**SUBJECT: RECEIVE THE QUARTERLY INVESTMENT REPORT FOR THE
QUARTER ENDING DECEMBER 31, 2019**

RECOMMENDATION

Receive the Quarterly Investment Report for the quarter ending December 31, 2019.

BACKGROUND

The City of Pinole Investment Policy calls for a Quarterly Investment Report to be submitted to the City Council. The enclosed Investment Report for the reporting period ended December 31, 2019 conforms to the reporting guidelines for California public agencies set forth in Section 53646 of the Government Code.

REVIEW AND ANALYSIS

All investments held at December 31, 2019 conform to the City's Investment Policy and State Regulations. A summary of the balances held in the investment portfolio (Attachment A), at December 31, 2019, follows:

Investments	Market Value	% of Portfolio
Investment Pool - LAIF	22,963,053	55.20%
Investment Pool - JPA	3,258,500	7.83%
Money Market Savings	8,143,135	19.58%
Mutual Funds	100,925	0.24%
Certificates of Deposit	3,855,335	9.27%
Medium-Term Corporate Notes	2,279,233	5.48%
Federal Agency Securities	996,880	2.40%
Investment Total	\$ 41,597,060	100.0%

Investment Yield and Duration:

The current aggregate yield of the City's investment portfolio is stabilized at 1.600%. This investment yield is lower than the current yield of 2.040% for the State of California's Local Agency Investment Fund (LAIF). LAIF yields have slightly decreased over the past year but remain higher than long-term investment yields in some cases which have caused our aggregate yield to be less than the LAIF yield. In addition, 19.58% of our portfolio is in money market savings accounts which earn 0.063% interest. LAIF and other pooled funds make up 63.28% of our investment portfolio.

Long-term investments make up 17.14% of our portfolio, and currently yield 2.028% average; which is slightly lower than LAIF. Earnings on investments held until maturity typically fluctuate with market conditions and are considered "unrealized" prior to maturity. The City expects to yield a gain on all investments at maturity.

Investments	Q2-2020 Yield	Q2-2019 Yield
Investment Pool - LAIF	2.040	2.210
Investment Pool - JPA	1.765	2.635
Money Market Savings	0.063	0.063
Mutual Funds	1.595	1.940
Certificates of Deposit	2.023	1.933
Medium-Term Corporate Notes	2.543	2.975
Federal Agency Securities	1.520	1.495
Municipal Bonds	[1] 0.000	2.250
Average Yield	1.600	1.860

[1] Municipal Bonds are at 0% yield because the City no longer holds any.

Cash Flows:

Sufficient cash inflows were available from July 2019 through December 2019 to meet all City expenditures. In addition, the City has sufficient cash flow at December 31, 2019 to cover anticipated expenditures through the next six months.

Investment Strategy:

The City utilizes a passive investment management approach by buying and holding securities until maturity. A "laddered maturity" investment strategy is applied to a portion of the asset allocation in our investment portfolio, currently 17.14%. A laddered portfolio is structured with securities that have different maturity dates. As securities are called or mature, proceeds are reinvested in a new security with a longer term at the end of the ladder. Laddering helps to minimize interest-rate risk, increase liquidity, and diversify credit risk.

Of the total investment portfolio, 82.86% is held in investment pools and money market accounts. Of this amount, LAIF currently represents 55.20% of the City's investment portfolio. Interest earnings of \$133,347 were generated in LAIF for the quarter ended December 31, 2019. The Investment Policy allows for up to 100% of the City's investment portfolio in LAIF which is currently at 2.040% yield.

Safekeeping for a General Reserve Investment Account:

The City continues to maintain a Safekeeping account to augment the City's participation in the State's Local Agency Investment Fund (LAIF) and the County's CalTrust Pools. This provides the Finance Director with the ability to implement a directed investment plan with longer investment duration thereby yielding greater investment earnings on federal agency securities of comparable credit risk.

The Federal Reserve has cut interest rates three times since July; by 0.25% on July 31, 2019, by 0.25% on September 18, 2019, and by another 0.25% on October 30, 2019. The Federal Funds Rate has historically compared to LAIF (PMIA, Pooled Money Investment Account) interest rates (see chart below). Currently the Federal Funds Rate is below LAIF.

Staff continues to monitor rates of return on City funds invested and make recommendations as needed to complement our participation in LAIF and to maintain steady investment yields. All City investments held are in accordance with the City's Investment Policy.

FISCAL IMPACT

All City cash and investments are pooled and interest is allocated to funds quarterly based on the average balance of each fund during the quarter ending. Interest earnings for the period ending December 31, 2019 are higher than the prior year's second quarter earnings of \$105,000 as a result of the increase in LAIF account allocations and higher yields.

CITY COUNCIL REPORT

7E

DATE: FEBRUARY 4, 2020

TO: HONORABLE MAYOR AND COUNCIL MEMBERS

FROM: ERIC S. CASHER, CITY ATTORNEY

COPY: ANDREW MURRAY, CITY MANAGER

SUBJECT: RESOLUTION APPROVING CITY MANAGER ANDREW MURRAY'S
RESIDENCE OUTSIDE OF THE CITY OF PINOLE

RECOMMENDATION

Staff recommends that the City Council waive the residency requirement for City Manager Andrew Murray as provided for in Pinole Municipal Code Section 2.04.020.

BACKGROUND

Pinole Municipal Code Section 2.04.020 provides that within one hundred eighty (180) days of reporting to work the City Manager must become a resident of the City of Pinole unless the City Council approves his or her residence outside the City. The City Council may approve the City Manager's residency outside of the City for the full duration of the City Manager's tenure.

DISCUSSION

The City Council conducted a successful recruitment for the position of City Manager in November 2019. On December 17, 2019 the City Council appointed Andrew Murray as the new City Manager for the City of Pinole. Mr. Murray does not currently live in the City of Pinole.

The proposed Resolution, Attachment A, waives the residency requirement and approves Mr. Murray's residence outside of the City throughout his tenure as City Manager as provided for in Pinole Municipal Code Section 2.04.020.

FISCAL IMPACT

Approval of the Proposed Resolution will have no fiscal impact.

ATTACHMENTS

Attachment A – Proposed Resolution

RESOLUTION NO. 2020-

RESOLUTION OF THE CITY COUNCIL OF THE CITY OF PINOLE, COUNTY OF CONTRA COSTA, STATE OF CALIFORNIA, APPROVING CITY MANAGER ANDREW MURRAY'S RESIDENCE OUTSIDE OF THE CITY OF PINOLE

WHEREAS, Section 2.04.020 of the Pinole Municipal Code provides that at the time of appointment a City Manager shall not be required as a condition of the appointment to reside in the City of Pinole; and

WHEREAS, Section 2.04.020 also provides that within one hundred eighty (180) days after reporting for work the City Manager must become a resident of the City of Pinole unless the City Council approves his or her residence outside the City; and

WHEREAS, on December 17, 2019, the City Council of the City of Pinole approved the appointment of Andrew Murray as City Manager; and

WHEREAS, Andrew Murray does not currently live in the City of Pinole; and

WHEREAS, the City Council has the authority to approve the City Manager's residence outside of the City of Pinole pursuant to Municipal Code Section 2.04.020; and

WHEREAS, the City Council hereby approves Andrew Murray's residence outside the City during all relevant times of his tenure as City Manager.

NOW, THEREFORE, BE IT RESOLVED, that the City Council of the City of Pinole hereby waives the residency requirement for City Manager Andrew Murray and approves Mr. Murray residing outside of the City of Pinole during his tenure as the City Manager.

PASSED AND ADOPTED at a regular meeting of the Pinole City Council held on the 4th day of **FEBRUARY 2020**, by the following vote:

AYES:	COUNCILMEMBERS:
NOES:	COUNCILMEMBERS:
ABSENT:	COUNCILMEMBERS:
ABSTAIN:	COUNCILMEMBERS:

I, hereby certify that the foregoing resolution was regularly introduced, passed, and adopted on this 4th day of February 2020.

Heather Iopu,CMC
City Clerk

CITY COUNCIL REPORT

7F

DATE: FEBRUARY 4, 2020

TO: MAYOR AND CITY COUNCIL MEMBERS

FROM: TAMARA MILLER, DEVELOPMENT SERVICES DIRECTOR/CITY ENGINEER

SUBJECT: AUTHORIZE REVISED RESPONSE TO GRAND JURY REPORT NO. 1907, "STORMWATER TRASH REDUCTION"

RECOMMENDATION

It is recommended that the City Council approve and authorize the Mayor to sign a revised response to the Grand Jury report No. 1907, "Stormwater Trash Reduction."

BACKGROUND

Early in California's history, the California Constitution established grand juries in each county. The California Penal Code includes provisions on the formation, powers, and duties of grand juries.

With respect to public agencies, grand juries are authorized to "investigate and report upon the operations, accounts, and records of the officers, departments, functions, and the method or systems of performing the duties of any such city or joint powers agency and make such recommendations as it may deem proper and fit." (Cal. Penal Code section 925a) Within 90 days after the grand jury submits a report regarding the operations of any public agency, the "governing body of the public agency shall comment to the presiding judge of the superior court on the findings and recommendations pertaining to matters under the control of the governing body..." (Cal. Penal Code section 933(c))

REVIEW AND ANALYSIS

In June 2019, the Grand Jury submitted report No. 1907, "Stormwater Trash Reduction," and required that the City of Pinole and other public agencies in the County respond regarding the report's findings and recommendations.

The Grand Jury made nine findings and four recommendations in the Report. The City of Pinole was required to respond specifically to five of the findings and three recommendations. City staff prepared a draft letter of response to the findings and recommendations. On August 20, 2019, the City Council approved the response, which staff subsequently submitted to the Grand Jury.

In a letter dated December 12, 2019, the Grand Jury requested that the City review and resubmit responses to two recommendations so that they would conform to the legally permitted response options. City staff has created a draft revised letter of response, conforming to permitted response options, for Council's consideration and possible approval.

FISCAL IMPACT

Fiscal impacts of providing a response to the letter are minor. But the overall fiscal impacts for trash capture compliance as per the recommendations in the report are not yet known.

Re: City of Pinole **Revised** Response to Grand Jury Report No. 1907: "Stormwater Trash Reduction" by 2019 Contra Costa Grand Jury

Dear Mr. Nakano,

Below please find the City of Pinole's responses to Grand Jury Report No. 1907: "Stormwater Trash Reduction".

Grand Jury Findings:

- 1. The 2015 Municipal Regional Stormwater Permit requires most the cities, towns to take action to reduce trash discharge by 80%, from 2009 baseline levels, by July 1, 2019.***

Response: The City of Pinole agrees with this finding.

- 4. In June, 2018, Hercules and Pinole were issued Cease and Desist Orders by the Water Board requiring them to improve their performance in meeting the trash reduction goals.***

Response: The City of Pinole agrees with this finding.

- 6. Both CCCWP and LAFCO report that unfunded federal and state mandated stormwater permit compliance programs are challenged for cities, towns, and the County.***

Response: The City of Pinole agrees with this finding.

- 7. Concord, El Cerrito, Hercules, Lafayette, Martinez, Pinole, Pittsburg, Richmond, San Pablo and Walnut Creek have established ordinances banning Styrofoam food packaging in their communities.***

Response: The City of Pinole agrees with this finding.

- 8. Caltrans reports that highways and ramps along portions of Highway 4 and 24, and Interstates 80, 580, and 680 in Antioch, El Cerrito, Richmond, and the unincorporated areas of the County are high trash generation areas.**

Response: The City of Pinole partially disagrees with this finding. The City of Pinole should also be listed as impacted by high trash generation along the portion of Interstate 80 and the ramps in Pinole.

- 9. No narrative summary of the accomplishments, challenges, cost and funds needed to fully comply with the Permit is provided in the required annual reports prepared by CCCWP, the County and each city and town.**

Response: The City of Pinole agrees with this finding.

Grand Jury Recommendations:

- 1. The City Councils of Hercules and Pinole should each consider directing their city manager to implement trash controls to bring them into compliance with 80% trash reduction goal by December 31, 2019.**

Response: The recommendation has been implemented. Summary as follows:

R1-1. The City of Pinole adopted a trash capture ordinance in late 2017. The City hosted a vendor fair to introduce commercial property owners and managers to trash capture manufacturers and installers. Implementation and compliance efforts are ongoing. The City has performed three direct mailings at targeted commercial property owners and managers educating them about the requirements of the ordinance. We have experienced a significant number of property owners and managers seeking and achieving compliance. We continue to address compliance as a component of code enforcement.

R1-2. The Pinole City Council approved as part of the FY19/20 annual operating budget more than double the funding for the Code Enforcement division. Staffing has increased facilitating more active code enforcement activities.

R1-3. The City of Pinole hosted a tour with three staff members of the RWQCB to demonstrate the compliance efforts. The RWQCB staff was able to see many properties in compliance as well as a few that were not in compliance.

R1-4. A Code Enforcement Officer visited restaurants in Pinole in the 4th quarter of FY 18/19 to educate businesses about the Styrofoam ban. The Code Enforcement Officer revisited every restaurant, and all were in compliance with the Styrofoam ban.

R1-5. In FY 17/18 the Pinole City Council approved a capital project to install trash capture devices in several additional medium to low trash volume roads. Additionally,

the project included the installation of trash capture devices in City owned parking lots in high trash capture areas.

3. *The Board of Supervisors and all City/Town Councils should consider directing staff to provide concise summary of their Annual reports, citing their accomplishments, challenges, cost and funds needed to fully comply with the Permit, by December 31, 2019.*

Response: The recommendation has not yet been implemented but will be implemented in the future. The City of Pinole will provide a concise summary of our accomplishments with the Annual Report. The City of Pinole will cite accomplishments, challenges, costs and funds needed to comply with the permit. At this time, it is expected that costs will need to be shared by the CCCWP, private property owners, Caltrans, and the City.

4. *The Board of Supervisors and all City/Town Councils should consider identifying additional revenue sources to fully fund Permit requirements in order to comply with the Permit and avoid potential liability, by June 30, 2020.*

Response: The recommendation has been implemented.

R4-1.The City of Pinole has directed funding from the Solid Waste Fund for the purchase of a Street Sweeper to aid with permit compliance.

R4-2.The City of Pinole directs some road maintenance funding toward the cost of implementing the street sweeping program to aid with permit compliance.

R4-3.The City of Pinole has passed an ordinance which requires an investment by commercial property owners to provide trash capture devices in private collection systems linked to the City of Pinole collection system.

R4-4.The City of Pinole has already passed local sales tax revenue measures for Police, Fire, Recreation, and Road Maintenance with portions going to public infrastructure operations, maintenance, and improvements. The City's ability to continue to pass local sales tax measures is capped by State law.

R4-5.The City, as part of the CCCWP, has supported legislation at the State level to create a utility user fee structure for stormwater programs.

If you have any questions about the above, please do not hesitate to contact City Manager Andrew Murray at (510) 724-8933.

Sincerely,

Roy Swearingen
Mayor

Contra Costa County Grand Jury Report 1907

Stormwater Trash Reduction

Are We Doing All That We Can?

**TO: Contra Costa County Board of Supervisors;
City/Town Councils of: Antioch, Brentwood, Clayton, Concord,
Danville, El Cerrito, Hercules, Lafayette, Martinez, Moraga,
Oakley, Orinda, Pinole, Pittsburg, Pleasant Hill, Richmond,
San Pablo, San Ramon, Walnut Creek**

SUMMARY

What is being done about the discarded paper, plastics, and other unwanted junk that ends up along our local streets, freeways, and public areas? This trash is polluting our local creeks, rivers, the San Francisco Bay, and the ocean itself. Is anything being done to fix this regional problem that has global implications? What more can we do as citizens, cities, and Contra Costa County (the County) to help keep our waterways clean?

The federal Clean Water Act, as amended by the Water Quality Act of 1987, requires permits for stormwater discharges from municipal systems to prevent stormwater from washing harmful pollutants into waterways. Under the Clean Water Act, these discharges are considered to be significant contributors of pollutants to waters of the United States. Discharges from stormwater systems operated by the County and each of its 19 cities and towns are also subject to the requirements of the Clean Water Act.

The Clean Water Act is enforced locally by the San Francisco Regional Water Quality Control Board (Water Board) through a Municipal Regional Stormwater Permit (Permit), issued in 2015. This Permit requires Contra Costa County and its cities and towns, along with other cities and the counties of Alameda, San Mateo, and Santa Clara, to reduce trash discharged from their storm sewers. Under the Permit, cities, towns, and counties are required to reduce their trash discharged by storm sewers by 80% from 2009 base levels by July 1, 2019. Cities and counties are required to prepare detailed

annual reports that document their trash abatement performance.

Cities, towns, and the County get credit toward their percent trash reduction by reducing the amount of trash discharged from their storm sewer systems. They accomplish this primarily by installing and maintaining trash capture devices which separate trash from entering a stormwater system and waterways. They can also take steps to control trash at its source by limiting businesses from providing plastic straws, plastic bags, and/or Styrofoam cups, bowls, plates, takeout containers, and serving trays. For these source control programs, there is a maximum of 10% credit available under the Permit.

The California Department of Transportation (Caltrans) also owns, operates, and maintains significant storm sewer systems within the County. Under a separate permit, Caltrans is also required to implement control measures in all of its high-trash-generating areas. These include freeways and ramps in high density residential, commercial, and industrial areas. The Water Board recently issued an enforcement order against Caltrans to increase its trash cleanup efforts on Bay Area highways, or face heavy fines.

This report examines how the County, its cities, and towns are performing with regard to the Permit's trash reduction goals. Our investigation revealed that most of the cities and towns in the County are on target to achieve the 80% trash reduction goal.

The cities of Hercules and Pinole are underperforming toward achieving this 80% goal. The Grand Jury recommends that the cities of Hercules and Pinole consider taking steps to improve performance to comply with required trash reduction goals by installing trash capture devices and instituting source control programs.

The Grand Jury also recommends that cities, towns, and the County consider publishing annual reports in summary form, citing accomplishments and challenges, including the costs and funds needed to comply with the Permit requirements. One solution is to prevent the generation of pollution at its source. This includes limiting the use of Styrofoam cups, bowls, plates, and takeout containers.

Cities, towns, and the County should consider identifying additional revenue sources to fully fund Permit requirements in order to comply with the Permit and avoid potential liability.

METHODOLOGY

In the course of its investigation, the Grand Jury:

- Examined how the County and its cities and towns are performing with regard to their trash reduction mandates
- Explored how Permit compliance information is communicated to the citizens and elected officials in Contra Costa County

- Interviewed staff from: Contra Costa Clean Water Program, Contra Costa County Public Works, and selected cities
- Interviewed representatives from an environmental Non-governmental Organization, and the Water Board
- Reviewed stormwater permits, reports, and documents
- Reviewed information available on the Contra Costa Clean Water Program website (www.cccleanwater.org)
- Reviewed media reports

BACKGROUND

Federal and State Stormwater Regulations

The 1972 Federal Water Pollution Control Act (the Clean Water Act) regulates water quality standards for all public and private wastewater discharges into waterways. These water quality standards are set using National Pollutant Discharge Elimination System (NPDES) permits which regulate waste discharges into waters of the United States. In 1987, the Clean Water Act was amended and expanded to include stormwater discharges from municipal-owned/operated storm drains. In 1990, NPDES stormwater permit application requirements for municipal stormwater discharges were established by the U.S. Environmental Protection Agency.

In California, the federal NPDES permit program is administered and enforced by the State Water Resources Control Board through nine Regional Water Quality Control Boards. These water boards issue permits to prevent stormwater from washing harmful pollutants into waterways. Permits are updated and reissued approximately every five years. The first county-wide stormwater permits were issued in the early 1990s.

Contra Costa Clean Water Program

In 1991, in response to the expanded Federal and State stormwater regulations, the County, its cities, and towns established the Contra Costa Clean Water Program (CCCWP). Its purpose is to provide a uniform approach to address Water Board permit requirements and implement activities jointly carried out by the cities, towns, and the County.

The CCCWP comprises Contra Costa County, 19 cities and towns, and the Contra Costa County Flood Control and Water Conservation District. These are:

- Contra Costa County Flood Control and Water Conservation District
- Clayton
- Hercules
- Orinda
- Pleasant Hill
- San Ramon
- Town of Moraga
- Oakley
- Concord
- Lafayette
- Pinole
- Richmond
- Walnut Creek
- Antioch
- Contra Costa County unincorporated areas
- El Cerrito
- Martinez
- Pittsburg
- San Pablo
- Town of Danville
- Brentwood

Current Stormwater Permit

According to the Water Board, stormwater is a significant source of certain pollutants that cause or contribute to water quality pollution in the region. To address this problem the Water Board issued county-wide municipal stormwater permits in the early 1990s.

In 2015, the Water Board re-issued these county-wide municipal stormwater permits as one Municipal Regional Stormwater NPDES Permit (Permit) to regulate stormwater discharges from municipalities and local agencies in Alameda, central and western Contra Costa, San Mateo, and Santa Clara counties, and the cities of Fairfield, Suisun City, and Vallejo. In February, 2019, the cities of Antioch, Brentwood, and Oakley and the eastern portion of Contra Costa County were formally added to the Permit.

Under the Permit, cities, towns, and counties are required to prohibit the discharge of materials other than stormwater into storm drain systems and watercourses. Each city, town, and county is individually responsible for complying with the Permit requirements to meet their pollution reduction goals. The Permit allows cities, towns, and counties to collaborate in designing, developing, and implementing new solutions to reduce stormwater pollution.

The Permit includes stormwater management regulations for the following: trash reduction, new real estate development and redevelopment, illicit discharge, and public information and outreach. The Permit also regulates stormwater from industrial and commercial sites, construction sites, pesticides, mercury, PCB's, and copper.

According to the Water Board, the sources of trash include discharges from the storm drain system, windblown trash, and other discharges such as direct dumping and homeless encampments. This trash washes into San Francisco Bay and the ocean, where it becomes part of a global problem. It is unsightly, can cause storm drain blockage, decreases property values, and impacts recreational use and wildlife habitat in waterways. Trash such as plastic bags may harm wildlife through entanglement or ingestion. Trash may also contain hazardous materials such as heavy metals, toxic chemicals, oil and grease products, and other pollutants that are unhealthy and harmful to people and the environment.

Failure to comply with the discharge requirements constitutes a violation of the

California Water Code and the Clean Water Act. If there is a violation, the Water Board may impose fines and other civil liabilities. The Water Board may also refer violators to the State Attorney General who can seek civil monetary penalties and injunctive relief, or take other appropriate enforcement actions.

Preventing Trash at its Source

A key element in any trash reduction program is to stop pollution before it harms the environment. Programs that prevent trash at its source (commonly referred to as "source control") include banning businesses from providing plastic bags, plastic straws, and Styrofoam cups, bowls, plates, and takeout containers.

Plastic bags are not biodegradable and take hundreds of years to decompose. This results in plastics littering the environment, degrading creeks and waterways, and adversely effecting wildlife. When bags decompose, toxins are released into the soil and water, harming land and marine wildlife. Plastic straws are hazardous to the environment because they settle in the landfills, clog storm drains, and collect in the ocean. Styrofoam is a plastic commonly found in packing and food packaging. It is rarely reused, is an abundant form of litter hazardous to land and marine life and can take 500 years to decompose.

On November 8, 2016, California voters approved Proposition 67 which bans the use of carry-out plastic bags that once were given at grocery stores and food marts. They now offer customers the option to purchase either recycled paper or reusable plastic bags. As an example, the City of San Jose implemented a successful source control program. Its 2011 plastic bag ban resulted in a litter reduction of approximately 89% in the storm drain system, 60% in the creeks and rivers, and 59% in city streets and neighborhoods. A state law (AB1884) limiting full-service restaurants in the state from handing out single-use plastic straws became effective on January 1, 2019.

DISCUSSION

This report focuses on the trash reduction requirement of the Permit. The report examines how the County, cities, and towns are performing regarding reducing trash in creeks and waterways. It also explores how information can be better communicated to citizens in the County.

Trash Reduction Requirements

Cities, towns, and the County are required to implement trash control actions in accordance with procedures and the schedule outlined in the Permit.

The trash reduction schedule in the Permit requires that each city, town, and the County reduce trash from their 2009 baseline levels, using requirements and accounting

procedures contained in the Permit. The trash reduction goals and schedule are as follows:

- 70% by July 1, 2017
- 80% by July 1, 2019
- 100% by July 1, 2022

The cities of Antioch, Oakley, Brentwood, and the eastern unincorporated areas of the County were added to the Permit in February, 2019. They have a modified goal to reduce trash by 70% from their 2016 baseline trash levels by December 31, 2019.

Cities, towns, and the County receive credit toward their trash reduction goal by reducing the amount of trash discharged from their storm sewer systems. They accomplish this by installing and maintaining trash capture devices which prevent trash from entering stormwater systems and waterways. The percent reduction in trash is calculated by applying a formula that compares current levels with 2009 baseline amounts.

Cities, towns, and the County can take additional steps to control trash at its source by limiting businesses from providing Styrofoam cups, bowls, plates, takeout containers, and serving trays. For these source control programs there is a maximum of 10% credit toward the trash reduction goal available in the Permit.

As explained below, some cities and towns have already instituted source control programs, which they expect will reduce the amount of trash released into the environment. Most have also implemented trash management actions, such as increased street sweeping; land, creek and shoreline cleanups; and homeless encampment cleanups.

Table 1 illustrates:

- The percent reduction in trash, from 2009 baseline levels, that each city, town, and the County unincorporated areas achieved in Fiscal Year (FY) 2017-18
- The number of trash capture devices installed
- Cities that have implemented a source control program

Table 1
FY 2017-18 Trash Reduction Achieved

City/Town/County	FY 2017-18 Total % Trash Reduction	Full Trash Capture Devices Installed	Source Control Programs
Antioch	NA	1	NA
Brentwood	83.3 %	91	No
Clayton	99.5%	195	No
Concord	83.0%	451	No
Danville	100.0%	74	Yes
El Cerrito	84.5%	122	Yes
Hercules	69.0%	41	Yes
Lafayette	91.7%	38	No
Martinez	91.2%	118	Yes
Moraga	82.0%	121	No
Oakley	67.0%	68	No
Orinda	85.6%	5	No
Pinole	31.0%	113	Yes
Pittsburg	83.4%	127	Yes
Pleasant Hill	78.0%	123	Yes
Richmond	83.4%	170	Yes
San Pablo	87.7%	128	Yes
San Ramon	100.0%	81	No
Walnut Creek	95.9%	202	Yes
County unincorporated areas	75.0%	286	pending

Source: CCCWP Website <https://www.cccleanwater.org/resources/reports>

NA: data not available

Note: Antioch, Oakley, Brentwood and the eastern unincorporated areas of the County are required to achieve a trash reduction goal of 70% by December 31, 2019. All others are required to achieve a trash reduction goal of 80% by July 1, 2019.

Brentwood, Clayton, Concord, Danville, El Cerrito, Lafayette, Martinez, Moraga, Orinda, Pittsburg, Richmond, San Pablo, San Ramon, and Walnut Creek indicate that they have already reached their July 1, 2019 trash reduction goal of 80% from 2009 levels.

The cities of Hercules, Oakley, and Pinole report achieving less than 70% trash reduction in their latest annual reports. In June, 2018, Hercules and Pinole were issued Cease and Desist Orders by the Water Board requiring them to improve their

performance in meeting the required trash reduction goals. The Orders set deadlines for implementing trash controls that will bring the cities into compliance with the 80% trash load reduction relative to 2009 baseline conditions, by July 1, 2019.

Source Control Programs

One way for the County, cities, and towns to help achieve their trash reduction goals is to focus on source control programs. These programs can reduce the amount of litter that enters the stormwater system.

Danville, Pittsburg, Pleasant Hill, Richmond, San Pablo, and Walnut Creek implemented ordinances banning single-use plastic bags prior to the ban becoming law in California.

Ten cities also have established ordinances banning Styrofoam food packaging. They are: Concord, El Cerrito, Hercules, Lafayette, Martinez, Pinole, Pittsburg, Richmond, San Pablo, and Walnut Creek. The County is proposing an ordinance to ban Styrofoam container use by companies selling food and beverages, private care facilities, and County establishments in the unincorporated areas.

Brentwood, Clayton, Concord, Lafayette, Moraga, Oakley, Orinda, and San Ramon have not reported source control programs as part of their trash reduction goals.

Trash Reduction along Caltrans Freeways and Ramps

Caltrans owns, operates, and maintains freeways and ramps within the County. In a separate permit issued by the State Water Resources Control Board in 2012, and amended in 2014 and 2015, Caltrans is required to implement control measures in all high trash generating areas. These areas include freeways and ramps in high density residential, commercial, and industrial areas in Contra Costa County.

Caltrans is a state agency outside the Grand Jury's jurisdiction. However, it acknowledges that its freeways and ramps are collectors of trash and debris. Caltrans developed a work plan in 2016 to "ensure maximum environmental benefit while also achieving mobility and safety benefits to the traveling public." (Caltrans, Trash Load Reduction Workplan for the San Francisco Bay Region, 2016). In the County, the Workplan indicated that high trash level stretches include portions of Highways 4 and 24, and Interstate 80.

Table 2 shows the ramps with high trash levels:

Table 2
Highway Ramps with High Trash Levels

Highway	Ramps
HWY4	Loveridge Rd, Railroad Ave., Morello Ave., McEwen Ave., and Willow Ave.
I-80	Cutting Blvd, Potrero Ave., Carlson Blvd, Central Ave., Appian Way, Richmond Parkway, San Pablo Dam Road, San Pablo Ave., MacDonald Ave., and Buchanan St.
I-580	Regatta Blvd., Bayview Ave., and Central Ave.
I-680	Willow Pass Road

On November 7, 2018, a letter urging the Water Board to take enforcement action against Caltrans was signed by two Contra Costa County Supervisors, elected officials from the cities of Antioch, El Cerrito, and Richmond, and over 60 elected officials from Alameda, San Mateo, and Santa Clara counties. The letter urged the Water Board to order Caltrans to:

- Install trash capture devices in “very high” and “high” trash generation areas wherever feasible;
- Increase frequency of trash removal; and
- Collaborate with municipalities and local agencies to implement these solutions.

According to the Water Board, Caltrans has identified portions of its highways and ramps “that generate significant amounts of trash but has not identified an acceptable schedule for timely implementation of trash controls to meet [p]ermit” requirements. (Water Board, Cease and Desist Order No. R2-2019-0007). In February, 2019, the Water Board ordered Caltrans to install devices to capture roadway debris or otherwise clean up all 8,820 acres of land under its jurisdiction in the Bay Area identified as “significant trash generating areas” by 2026. Failure to comply with the directive could result in fines of up to \$25,000 a day.

Trash from Homeless Encampments

Waste from homeless encampments close to creeks present an environmental hazard. The Contra Costa County Coordinated Outreach and Engagement Team (CORE) collects and removes over 6,000 pounds of trash each month at homeless sites. CORE regularly visits homeless encampments to identify needs of the homeless. CORE encourages the homeless to clean up after themselves by providing trash bags.

Permit Compliance Costs

Stormwater permit compliance activities in most Contra Costa County cities, towns, and the County are funded by a Stormwater Utility Assessment (SUA) authorized in 1993. Rates range from \$25 to \$45 a year for single-family homes. In FY 2017-18 the revenues collected countywide totaled \$15.1 million. These funds are used to support the Permit compliance activities undertaken by each of the cities, towns, the County, and CCCWP.

The cities of Richmond and Brentwood do not have a stormwater utility assessment. Their stormwater pollution prevention activities are funded from other revenue sources, and the cities' general funds.

The authority to raise taxes or assessment fees to pay for governmental services, including stormwater related activities, is limited by voter initiatives such as Proposition 13 and Proposition 218. Stormwater assessment rates have maximum limits, established by each city, town, and the County in 1993. They all reached their maximum rates by FY 2009-10. Since then, cities, towns, and the County have been supplementing their SUA revenues with funding from other sources, including their general funds.

The County is responsible for complying with the Permit provisions only in the unincorporated areas. The County estimates its compliance costs to be \$5 million per year. Of that amount, \$2.2 million per year is budgeted for trash reduction related activities.

The County receives about \$3.8 million per year in SUA revenue, road, and flood control funding. The County estimates that it will need an additional \$1.2 million per year to meet all the Permit requirements.

Revenue shortfalls may prevent the County from meeting its stormwater trash reduction goals. Failure to comply with the Permit would leave the County liable for substantial fines from the Water Board. In order to achieve a trash reduction goal of 100%, the County may need to consider seeking additional sources of funding.

Both the CCCWP and the Contra Costa Local Agency Formation Commission (LAFCO) report that unfunded federal and state mandated stormwater permit compliance programs are a challenge for cities, towns, and the County. In its 2019 Municipal Service Review, LAFCO reports, "[s]tormwater control requirements mandated by regional and state agencies are increasing the cost of treating stormwater without providing compensating new revenue sources." To address this funding shortfall, the Grand Jury recommends that cities, towns, and the County consider undertaking efforts to identify additional funding sources to fully fund Permit requirements in order to comply with the Permit and avoid potential liability.

Public Awareness

The required Annual Reports provide a detailed breakdown of performance toward complying with all the Permit provisions by the CCCWP, each city, town, and the County. The CCCWP 2017-18 Annual Report documenting permit compliance activities it conducted during the year totals 564 pages. Each city, town, and the County also prepared a similar report documenting its permit compliance performance. These reports each range in length from 58 to 177 pages. They are filled with forms and tables supplied by the Water Board, which document accomplishments for the year. No narrative summary is provided identifying accomplishments, challenges, costs, and funds needed to fully comply with the Permit. The Grand Jury recommends that to enable the public to understand these issues, CCCWP, each city, town, and the County should consider providing a narrative summary of their efforts to achieve Permit requirements.

FINDINGS

- F1. The 2015 Municipal Regional Stormwater Permit requires most of the cities, towns, and the County to take action to reduce trash discharges by 80%, from 2009 baseline levels, by July 1, 2019**
- F2. Antioch, Brentwood, Oakley, and the eastern portion of the County were added to the Permit in February, 2019 and have a requirement to reduce trash discharges by 70%, from their 2016 baseline trash levels, by December 31, 2019.**
- F3. Using the formula prescribed in the Permit, Brentwood, Clayton, Concord, Danville, El Cerrito, Lafayette, Martinez, Moraga, Orinda, Pittsburg, Richmond, San Pablo, San Ramon, and Walnut Creek report that they have already reached their July 1, 2019 trash reduction goals.**
- F4. In June, 2018, Hercules and Pinole were issued Cease and Desist Orders by the Water Board requiring them to improve their performance in meeting their trash reduction goals.**
- F5. The County estimates that it will need an additional \$1.2 million per year to meet all the Permit requirements.**
- F6. Both the CCCWP and LAFCO report that unfunded federal and state mandated stormwater permit compliance programs are a challenge for cities, towns, and the County.**
- F7. Concord, El Cerrito, Hercules, Lafayette, Martinez, Pinole, Pittsburg, Richmond, San Pablo, and Walnut Creek have established ordinances banning Styrofoam food packaging in their communities.**

- F8. Caltrans reports that highways and ramps along portions of Highways 4 and 24, Interstates 80, 580, and 680 in Antioch, El Cerrito, Richmond, and in the unincorporated areas of the County are high trash generation areas.**
- F9. No narrative summary of the accomplishments, challenges, costs, and funds needed to fully comply with the Permit is provided in the required annual reports prepared by CCCWP, the County, and each city and town.**

RECOMMENDATIONS

- R1. The City Councils of Hercules and Pinole should each consider directing their city manager to implement trash controls to bring them into compliance with the 80% trash reduction goal by December 31, 2019.**
- R2. The City/Town Councils of Antioch, Brentwood, Clayton, Danville, Moraga, Oakley, Orinda, Pleasant Hill, and San Ramon should consider limiting the use of Styrofoam containers in their communities by June 30, 2020.**
- R3. The Board of Supervisors and all City/Town Councils should consider directing staff to provide a concise summary of their Annual Reports, citing their accomplishments, challenges, costs, and funds needed to fully comply with the Permit, by December 31, 2019.**
- R4. The Board of Supervisors and all City/Town Councils should consider identifying additional revenue sources to fully fund Permit requirements in order to comply with the Permit and avoid potential liability, by June 30, 2020.**

Re: City of Pinole Response to Grand Jury Report No. 1907: "Stormwater Trash Reduction" by 2019 Contra Costa Grand Jury

Dear Mr. Nakano,

Below please find the City of Pinole's responses to Grand Jury Report No. 1907: "Stormwater Trash Reduction".

Grand Jury Findings:

- 1. The 2015 Municipal Regional Stormwater Permit requires most the cities, towns, and the County to take action to reduce trash discharge by 80%, from 2009 baseline levels, by July 1, 2019.***

Response: The City of Pinole agrees with this finding.

- 4. In June, 2018, Hercules and Pinole were issued Cease and Desist Orders by the Water Board requiring them to improve their performance in meeting their trash reduction goals.***

Response: The City of Pinole agrees with this finding.

- 6. Both the CCCWP and LAFCO report that unfunded federal and state mandated stormwater permit compliance programs are challenged for cities, towns, and the County.***

Response: The City of Pinole agrees with this finding.

- 7. Concord, El Cerrito, Hercules, Lafayette, Martinez, Pinole, Pittsburg, Richmond, San Pablo and Walnut Creek have established ordinances banning Styrofoam food packaging in their communities.***

Response: The City of Pinole agrees with this finding.

- 8. Caltrans reports that highways and ramps along portions of Highway 4 and 24, and Interstates 80, 580, and 680 in Antioch, El Cerrito, Richmond, and the unincorporated areas of the County are high trash generation areas.**

Response: The City of Pinole partially disagrees with this finding. The City of Pinole should also be listed as impacted by high trash generation along the portion of Interstate 80 and the ramps that are in Pinole.

- 9. No narrative summary of the accomplishments, challenges, cost and funds needed to fully comply with the Permit is provided in the required annual reports prepared by CCCWP, the County and each city and town.**

Response: The City of Pinole agrees with this finding.

Grand Jury Recommendations:

- 1. The City Councils of Hercules and Pinole should each consider directing their city manager to implement trash controls to bring them into compliance with 80% trash reduction goal by December 31, 2019.**

Response: The recommendation has been implemented. Summary as follows:

R1-1. The City of Pinole adopted a trash capture ordinance in late 2017. The City hosted a vendor fair to introduce commercial property owners and managers to trash capture manufacturers and installers. Implementation and compliance efforts are ongoing. The City has performed three direct mailings at targeted commercial property owners and managers educating them about the requirements of the ordinance. We have experience a significant number of property owners and managers seeking and achieving compliance. We continue to address compliance as a component of our Code Enforcement activities.

R1-2. The Pinole City Council approved as part of the FY 2019/20 annual operating budget more than double the funding for the Code Enforcement division. Staffing has increased, facilitating more active Code Enforcement activities.

R1-3. The City of Pinole hosted a tour with three staff members of the RWQCB to demonstrate the compliance efforts. The RWQCB staff was able to see many properties in compliance as well as a few that were not in compliance.

R1-4. A Code Enforcement Officer visited restaurants in Pinole in the 4th quarter of FY 2018/19 to educate businesses about the Styrofoam ban. The Code Enforcement Officer revisited every restaurant and all were in compliance with the Styrofoam ban.

R1-5. In FY 2017/18 the Pinole City Council approved a capital project to install trash capture devices in several additional medium to low trash volume roads. Additionally, the project included the installation of trash capture devices in City owned parking lots in high trash capture areas.

- 3. The Board of Supervisors and all City/Town Councils should consider directing staff to provide concise summary of their Annual Reports, citing their accomplishments, challenges, costs and funds needed to fully comply with the Permit, by December 31, 2019.**

Response: The recommendation has not yet been implemented but in part will be implemented in the future. The City of Pinole will provide a concise summary of our accomplishments with our Annual Report. The City of Pinole is not able to quantify the full cost to comply with the Permit. Costs will be shared by the CCCWP, private property owners, Caltrans, and the City.

- 4. The Board of Supervisors and all City/Town Councils should consider identifying additional review sources to fully fund Permit requirements in order to comply with the Permit and avoid potential liability, by June 30, 2020.**

Response: The recommendation has, in part, been implemented. Additionally, parts of the recommendation require further analysis.

R4-1. The City of Pinole has directed funding from the Solid Waste Fund for the purchase of a Street Sweeper to aid with permit compliance.

R4-2. The City of Pinole directs some road maintenance funding toward the cost of implementing the street sweeping program to aid with permit compliance.

R4-3. The City, as part of the CCCWP, has supported legislation at the State level to create a utility user fee structure for stormwater programs. The State legislature has failed to pass such legislation.

R4-4. The City of Pinole has already passed local sales tax revenue measures for Police, Fire, Recreation, and Road Maintenance. The City's ability to continue to pass local sales tax measures is capped by State law. The City lacks adequate funding for public safety and thus needs to focus local funding measures here prior to unfunded State mandates.

If you have any questions about the above, please do not hesitate to contact City Manager Michelle Fitzner at (510) 724-8933.

Sincerely,

A handwritten signature in blue ink, appearing to read "Peter Murray". The signature is fluid and cursive, with the first name "Peter" and last name "Murray" clearly distinguishable.

Peter Murray
Mayor

CITY COUNCIL REPORT

7G

DATE: FEBRUARY 4, 2020

TO: MAYOR AND COUNCIL MEMBERS

**FROM: TAMARA MILLER, DEVELOPMENT SERVICES DIRECTOR / CITY
ENGINEER**

**SUBJECT: DECLARE THE LISTED PROPERTY AS SURPLUS AND DESIGNATE
A PURCHASING OFFICER TO DISPOSE OF THE LISTED PROPERTY
IN ACCORDANCE WITH THE PROCUREMENT POLICY**

RECOMMENDATION

It is recommended that the City Council adopt a resolution declaring the listed property as surplus and designating the listed staff member to serve as the Purchasing Officer to dispose of the listed property in accordance with the Procurement Policy.

BACKGROUND

As per Section VIII of the current Procurement Policy, “the Purchasing Officer is responsible for the transfer and disposition of surplus City property. ‘Surplus Property’ is used generically to describe any City property that is no longer needed or useable by the holding department. The City Council shall declare item(s) surplus prior to disposal.”

REVIEW & ANALYSIS

The City has a portable stage that is no longer used for any City functions. It occupies valuable storage space. The portable stage is obsolete, and no longer serviceable in its current condition.

As per the Purchasing Policy, the Purchasing Officer will, determine the most appropriate method of disposal that best serves the interest of the City. The policy details appropriate methods as follows:

1. Public Auction - Surplus property may be sold at public auction. City staff may conduct public Auctions, or the City may contract with a professional auctioneer including professional auction services.
2. Bids - Bids may be solicited for the sale of surplus property. Surplus

property disposed of in this manner shall be sold to the highest responsible bidder.

3. Selling for Scrap - Surplus property may be sold as scrap if the Purchasing Officer deems that the value of the raw material exceeds the value of the property as a whole.
4. Negotiated Sale - Surplus property may be sold outright if the Purchasing Officer determines that only one known buyer is available or interested in acquiring the property.
5. No Value Item – Where the Purchasing Officer determines that specific supplies or equipment are surplus and of minimal value to the City due to spoilage, obsolescence or other cause or where the Purchasing Officer determines that the cost of disposal of such supplies or equipment would exceed the recovery value, the Purchasing Officer shall dispose of the same in such a manner as he or she deems appropriate and in the best interest of the City.

FISCAL IMPACT

The listed asset has no value in its current condition. Freeing up storage will ease other work functions.

ATTACHMENT

A Resolution

RESOLUTION NO. 2020-____

RESOLUTION OF THE CITY COUNCIL OF THE CITY OF PINOLE, COUNTY OF CONTRA COSTA, STATE OF CALIFORNIA, DECLARING THE LISTED PROPERTY AS SURPLUS AND DESIGNATING A PURCHASING OFFICER TO DISPOSE OF THE LISTED PROPERTY IN ACCORDANCE WITH THE PROCUREMENT POLICY

WHEREAS, the Public Works Division has been storing equipment that is obsolete and/or too costly to repair; and

WHEREAS, the list of equipment has no value; and

WHEREAS, the Public Works Division needs to surplus this equipment to free up much needed space; and

WHEREAS, the list of equipment to be declared as surplus property is attached as Exhibit A; and

WHEREAS, the list of equipment assigns a Purchasing Officer who in accordance with the Procurement Policy will determine the best means of disposal.

NOW THEREFORE, BE IT RESOLVED that the Pinole City Council does hereby declare the listed property as surplus and designates a Purchasing Officer to dispose of the listed property in accordance with the procurement policy.

PASSED AND ADOPTED at a regular meeting of the Pinole City Council held on the 4th day of February 2020 by the following vote:

AYES: COUNCILMEMBERS:

NOES: COUNCILMEMBERS:

ABSENT: COUNCILMEMBERS:

ABSTAIN: COUNCILMEMBERS:

I hereby certify that the foregoing resolution was regularly introduced, passed, and adopted on the 4th day of February 2020.

Heather Iopu, CMC
City Clerk
