Subject: Pedestrian Safety on Tennant

Hello,

My children have been attending St Joseph School since 2009. We have been increasingly concerned about pedestrian safety in this area ever since. One truly feels like they are risking their lives and the lives of their children when attempting to cross the street, especially at high traffic times of day. Please do not allow the recent tragic loss of life to go unanswered. What will you do to prevent future loss of life from recurring?

Sincerely,
Kimberly A Wright
