

City of Pinole Inflatable Jumper Requirements

The City of Pinole allows inflatable jumper-type play equipment to be used at Fernandez Park only with a park rental.

The City of Pinole requires that the renter sends proof of purchase from the authorized jumper company at least 2 weeks prior to the date of the facility rental. Without proof of purchase, the parks are still available to use, but unfortunately, the jumpers will not be allowed.

For safety precautions, the City of Pinole requires an additional insurance endorsement of one million dollars (\$1,000,000.00). This policy will be provided by the **approved** jumper rental company.

Jumper Rental Contacts

It is required that all Inflatable Jumper Rentals in Pinole Parks are from one of the two companies below.
