Ralph M. Brown Act. Gov. Code § 54950. *In enacting this chapter, the Legislature finds and declares that the public commissions, boards and councils and the other public agencies in this State exist to aid in the conduct of the people's business. It is the intent of the law that their actions be taken openly and that their deliberations be conducted openly. The people of this State do not yield their sovereignty to the agencies, which serve them. The people, in delegating authority, do not give their public servants the right to decide what is good for the people to know and what is not good for them to know. The people insist on remaining informed so that they may retain control over the instruments they have created.*

¹Please note: This special meeting is being called due to the cancellation of the 10/15/19 Regular Meeting. The following changes have been made from the agenda posted for 10/15/19: Addition of Consent Item 7G. CITY COUNCIL REPORT

7C

DATE: OCTOBER 15, 2019

TO: MAYOR AND COUNCIL MEMBERS

FROM: HEATHER IOPU, CITY CLERK

SUBJECT: CENSUS 2020 – RESOLUTION OF SUPPORT

RECOMMENDATION

It is recommended that the City Council adopt a Resolution in support of Census 2020 outreach activities in the City of Pinole and State of California.

BACKGROUND

The US Constitution requires that the US Census Bureau take a count, or census, of America's population every ten years. This information can be critical for community services. Each year, the federal government distributes more than \$675 billion to states and communities, divided according to Census Bureau data. The last census, held in 2010, counted 18,390 people in Pinole, a 3.409% percent decrease over the 2000 count of 19,039.

The 2020 US Census day is April 1, 2020.

REVIEW AND ANALYSIS

The Census Bureau has done research over the years to determine which populations are missed at higher rates in the census. Their research shows that children, homeless, lower income, lower education, English language learners, undocumented immigrants, and racial/ethnic minorities are least likely to be enumerated properly. Since the 2020 census will be conducted mostly online, households with poor internet access will likely also be undercounted.

The Census Bureau is also facing several challenges with Census 2020, including constrained fiscal environment, rapidly changing use of technology, declining response rates, increasingly diverse and mobile populations; thus support from partners and stakeholders is critical.

In order to promote participation, and in the interest of getting the most accurate count possible, the City of Pinole will begin outreach efforts to its residents in coordination with Census bureau, County representatives and interested individuals and groups in the community. In order to facilitate this outreach, the City will appoint Heather Iopu,

City Clerk, as the primary staff lead and Council Member Norma Martinez-Rubin as the primary Council Member lead.

These appointees will identify opportunities for community engagement and education with regard to the 2020 US Census and connect Pinole citizens with resources provided by Census bureau representatives.

FISCAL IMPACT

None.

RESOLUTION NO. 2019-____

RESOLUTION OF THE CITY COUNCIL OF THE CITY OF PINOLE, COUNTY OF CONTRA COSTA, STATE OF CALIFORNIA, SUPPORTING THE 2020 CENSUS

WHEREAS, the U.S. Census Bureau is required by Article I, Section 2 of the U.S. Constitution to conduct an accurate count of the population every ten years; and

WHEREAS, the next enumeration will be April 1, 2020 and will be the first to rely heavily on online responses; and

WHEREAS, the primary and perpetual challenge facing the U.S. Census Bureau is the undercount of certain population groups; and

WHEREAS, that challenge is amplified in California, given the size of the state and the diversity of communities; and

WHEREAS, California has a large percentage of individuals that are considered traditionally hard to count; and

WHEREAS, these diverse communities and demographic populations are at risk of being missed in the 2020 Census; and

WHEREAS, California receives nearly \$77 billion in federal funding that relies, in part, on census data; and

WHEREAS, a complete and accurate count of California's population is essential; and

WHEREAS, the data collected by the decennial Census determines the number of seats each state has in the U.S. House of Representatives and is used to distribute billions of dollars in federal funds to state and local governments; and

WHEREAS, the data is also used in the redistricting of state legislatures, county boards of supervisors and city councils; and

WHEREAS, the decennial census is a massive undertaking that requires cross-sector collaboration and partnership in order to achieve a complete and accurate count; and

WHEREAS, California's leaders have dedicated a historic amount of funding and resources to ensure every Californian is counted once, only once and in the right place; and

WHEREAS, this includes coordination between tribal, city, county, state governments, community-based organizations, education, and many more; and

WHEREAS, U.S. Census Bureau is facing several challenges with Census 2020, including constrained fiscal environment, rapidly changing use of technology, declining response rates, increasingly diverse and mobile population, thus support from partners and stakeholders is critical; and

WHEREAS, the City of Pinole, in partnership with other local governments, the State, businesses, schools, and community organizations, is committed to robust outreach and communication strategies, focusing on reaching the hardest-to-count individuals.

NOW, THEREFORE, BE IT RESOLVED, that the City Council of the City of Pinole does hereby recognizes the importance of the 2020 U.S. Census and supports helping to ensure a complete, fair, and accurate count of all Californians;

BE IT FURTHER RESOLVED, that the City Council of the City of Pinole hereby appoints Council member Martinez-Rubin and City Clerk Heather Iopu as its official outreach representatives.

PASSED AND ADOPTED at a regular meeting of the City Council of the City of Pinole held on the **15th** day of **October 2019** by the following vote:

AYES: COUNCILMEMBERS:

NOES: COUNCILMEMBERS:

ABSENT: COUNCILMEMBERS:

ABSTAIN: COUNCILMEMBERS:

I, hereby certify that the foregoing resolution was regularly introduced, passed, and adopted on this **15th** day of **October, 2019**.

CITY COUNCIL REPORT

7D

DATE: OCTOBER 15, 2019

TO: MAYOR AND COUNCIL MEMBERS

FROM: NEIL H. GANG, CHIEF OF POLICE

SUBJECT: APPROVE A RESOLUTION AUTHORIZING THE CHIEF OF POLICE TO NEGOTIATE AND THE CITY MANAGER TO EXECUTE A CONTRACT WITH ODIN SYSTEMS INC. IN THE AMOUNT OF \$264,050.29 IN MEASURE S 2014 FUNDS FOR 18 REPLACEMENT CAMERAS, 2 NEW CAMERAS, WIRELESS CONNECTIONS, 2 REPLACEMENT SERVERS, 9 ALPR CAMERAS, 1 SERVER, SOFTWARE, AND LABOR

RECOMMENDATION

It is recommended that the City Council approve a resolution authorizing the Chief of Police to negotiate and the City Manager to execute a contract with ODIN Systems INC. in the amount of \$264,050.29 in Measure S 2014 funds for 18 replacement cameras, 2 new cameras, wireless connections, 2 replacement servers, 9 ALPR cameras, 1 server, software, and labor.

BACKGROUND

The City of Pinole currently has an existing city camera system consisting of 43 480P cameras at 5 locations within the City. The company who installed and maintained the system (CBX) is no longer in business. The system has gone unmaintained for 3 years and is failing. Currently there are 12 cameras not working. The majority of the non-functioning cameras (8) are located in the Pinole Vista Crossing Shopping Center. The cameras are connected to coax cable that runs to a central location in the shopping center and connects to the City fiber system. The coax cables and their connections were installed during the original construction of the Pinole Vista Crossing Center, late 1980's. The coax cables extend for hundreds of yards under the parking lot of the shopping center, across Fitzgerald and Jovita Drives as well as through the interior of several businesses. The coax cable connections have degraded from underground water exposure causing several cameras to fail. Tracking these cables for inspection and repair would take extensive time and substantial expense, ultimately just to fix/repair out-dated technology. Additionally, the current resolution of the existing cameras (480P) coupled with the number of cameras not working does not allow the Police Department to obtain useable video to investigate the crimes occurring in the shopping center. Therefore the Police Department recommends making the following purchases and upgrades:

- Replace all 18 480P cameras in the Pinole Vista Crossing Shopping Center with 18 1080P cameras,
- Adding 2 additional 1080P cameras at Appain Way at Fitzgerald Dr (entrance to the shopping center),
- Upgrading to wireless connections bypassing the failed coax cables and connections, (upgrading to wireless connections also allows the cameras to be movable as dictated by crime),
- Upgrade the 2 current servers and storage arrays (located at the Police Department) to modern servers and storage arrays allowing storage of the video for 30 days,
- Add 9 ALPR cameras to the east bound and west bound lanes of Fitzgerald Dr. (coverage for all lanes into and out of the shopping center), 1 additional server will be needed for the ALPR system, software and labor.

Pairing situational cameras with ALPR cameras will greatly increase the probability of obtaining useable video and solid investigative leads for crimes occurring in the shopping center. An additional benefit of adding ALPR would be immediate alerts to the Police Department of wanted or Amber Alert vehicles using Fitzgerald Dr. as an alternate route to avoid detection from the already existing ALPR and camera system on Interstate 80. The system on Interstate 80 is the first of its kind and was designed, installed and is maintained by ODIN Systems INC. ODIN Systems INC is the only company currently designing, installing and maintaining a complete camera system and would allow the City of Pinole direct access to the freeway system making ODIN System INC. sole source. Access to the freeway system and the addition of ALPR cameras to our system would greatly enhance our ability to investigate the prevalent transient crime occurring within our city by tracking suspect vehicles fleeing the City of Pinole on Interstate 80 and Fitzgerald Dr. As with our current system, monitoring of the system would only be done for in progress crimes or gathering investigative leads to crimes that have occurred. All Pinole data will be collected, stored and maintained using all applicable state laws, department policies and established best practices.

The cost breakdown is:

20 cameras, 2 servers, wireless connections, labor	\$ 155,629.00
9 ALPR cameras, sever, software, labor	\$ 90,000.00
Tax:	\$ 18,421.29
Total:	\$ 264,050.21

FISCAL IMPACT

Funding for this contract in the amount of \$264,050.21 is available from Measure S 2014. As of June 30, 2019 Measure S 2014 has an approximate unallocated Fund Balance of \$2,179,255.

CITY COUNCIL REPORT

7E

DATE: OCTOBER 15, 2019

TO: MAYOR AND COUNCIL MEMBERS

FROM: HECTOR DE LA ROSA, ASSISTANT CITY MANAGER

**SUBJECT: ADOPT A RESOLUTION APPROVING A SECOND AMENDMENT TO
THE EXCLUSIVE NEGOTIATING AGREEMENT BETWEEN THE CITY
OF PINOLE AND GENERAL REALTY CE, LLC FOR THE SALE AND
PURCHASE OF THE PINOLE SHORES II PROPERTIES**

RECOMMENDATION

It is recommended that the City Council adopt a resolution approving a Second Amendment to the Exclusive Negotiating Agreement between the City of Pinole and General Realty CE, LLC for the sale and purchase of the Pinole Shores II properties.

BACKGROUND

The City had been in discussions with General Realty CE, LLC for the sale of the properties known as Pinole Shores II. The property consists of 7.848 acres (total of 341,859 square feet) of vacant site located on the north side of San Pablo Avenue between Sunnyview Drive and Pinole Shores Drive. The property consists six parcels (402-230-015, 402-230-016, 402-230-017, 402-230-018, 402-230-020 and 402-230-022) of which only four (4) are developable.

On April 2, 2019, the City Council approved a 120 day Exclusive Negotiating Agreement (ENA) with General Realty CE, LLC for the purchase of the property known as Pinole Shores II. The Agreement also provided for an additional 90 day extension, if mutually agreed by the City and Developer, to the ENA.

General Realty has expressed interest in completing Phase II of the Pinole Shores project as was initially planned and outlined in the CEQA documents when Pinole Shores I was proposed.

REVIEW AND ANALYSIS

On May 28, 2019, the terms and conditions of the ENA were negotiated and approved by all the parties and the ENA was executed. Since May, General Realty CE, LLC has been obtaining documents of the site and doing their due diligence. They have also had discussion with the City's Planning staff in preparation of submitting design documents.

With the recent vacancy of our Planning Manager and interim Planning consultant in our Planning Division, General Realty's progress has been delayed. As part of the project review, an updated mitigated negative declaration (MND) has to be completed to determine the impact of the project. Typically, the City controls the contract for the updated MND with the developer paying for the cost of the service as well as staff time.

General Realty had planned to have the updated MND completed prior to the term of the ENA but with the vacancies, it appears that the MND will not be completed prior to the end of the term of the ENA including the allowed 90 day extension (first amendment to the ENA).

On September 30, a new interim Planner was hired and is getting up to speed on the projects in the queue which will include the Pinole Shores II project. As such, staff is recommending a second amendment to the ENA providing for a second 90 day extension, beyond the prior 210 days, for the completion of the updated MND.

In the meantime, staff and representatives from General Realty CE LLC, have negotiated the terms and conditions of the Purchase and Sale Agreement (PSA) and will continue to finalize the terms and conditions of the Development Agreement (DA). Once the updated MND is completed, the PSA and DA will be presented to the City Council for consideration and approval.

FISCAL IMPACT

None, the Developer has submitted a total of \$10,000 to which staff and attorney costs will be applied for negotiating the ENA and the Agreements. If the deposit is exhausted, the developer will have to submit additional funds.

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF PINOLE APPROVING A SECOND AMENDMENT TO THE EXCLUSIVE NEGOTIATING AGREEMENT BETWEEN THE CITY OF PINOLE AND GENERAL REALTY CE, LLC FOR THE SALE AND PURCHASE OF THE PINOLE SHORES II PROPERTIES

WHEREAS, the City is the owner of certain properties located at 830-850 San Pablo Avenue in the City of Pinole, California, County Assessor's Parcel Numbers 402-230-015, 402-230-016, 402-230-017, 402-230-018, 402-230-020 and 402-230-022; and

WHEREAS, on May 28, 2019, the Parties executed an Exclusive Negotiating Agreement (ENA) to agree to the terms and conditions of a Development Agreement, which will include a purchase and sale agreement, for the Properties; and

WHEREAS, the ENA provides for a period of one hundred and twenty (120) days, plus an additional ninety (90) days subject to mutual extension, to agree to a Development Agreement; and

WHEREAS, the City and Developer have been using their best efforts to successfully negotiate the Development Agreement and a Purchase and Sale Agreement but due to vacancies in the Planning Division, Developer's due diligence has been delayed; and

WHEREAS, the Developer has requested an additional 90 day extension, beyond the 210 days set forth in the ENA, and the City agrees that it is appropriate to extend the time due to delays caused by unforeseen vacancy circumstances.

NOW, THEREFORE, BE IT RESOLVED by the City Council of the City of Pinole, acting as the Successor to the Redevelopment Agency of the City of Pinole does hereby:

Section 1. Declare the above recitals are true and correct and incorporated by this reference.

Section 2: Approve the Second Amendment to the Exclusive Negotiating Agreement between the City of Pinole and General Realty CE, LLC extending the Term of the Agreement by ninety (90) days. The Term of the Agreement shall expire three hundred (300) days from the Effective Date of the Agreement.

Section 3. Authorize the City Manager, or her designee, to execute the Second Amendment to the Exclusive Negotiating Agreement and to take all actions to execute such documents as necessary to carry out the intent of this Resolution.

AGREEMENT BY AND AMONG GENERAL REALTY CE, LLC AND
THE CITY OF PINOLE, CALIFORNIA**

THIS SECOND AMENDMENT TO EXCLUSIVE NEGOTIATING RIGHTS AGREEMENT (this “**Amendment**”), dated as of October __, 2019, amending that certain Exclusive Negotiating Rights Agreement dated May 28, 2019 (as amended by the First Amendment to Exclusive Negotiating Rights Agreement dated September 26, 2019, the “**Agreement**”), is entered into by and between the City of Pinole, a California municipal corporation (the “**City**”) and General Realty CE, a California limited liability company (the “**Developer**”). The City and the Developer are each referred to herein as a “**Party**” or collectively referred to as the “**Parties**.”

WHEREAS, the City is the owner of certain properties located at 830-850 San Pablo Avenue in the City of Pinole, California, County Assessor’s Parcel Numbers 402-230-015, 402-230-016, 402-230-017, 402-230-018, 402-230-020 and 402-230-022 (the “**Properties**”), as more particularly described in Exhibit A attached hereto and incorporated herein by this reference; and

WHEREAS, on May 28, 2019, the Parties executed an Exclusive Negotiating Agreement (the “**ENA**”) to agree to negotiate the terms and conditions of a Development Agreement, which will include a purchase and sale agreement, for the Properties; and

WHEREAS, the ENA provides for a period of one hundred and twenty (120) days, plus an additional ninety (90) days subject to mutual extension, to agree to a Development Agreement; and

WHEREAS, the City and Developer have been using their best efforts to successfully negotiate the Development Agreement and a Purchase and Sale Agreement but due to vacancies in the Planning Division, Developer’s due diligence has been delayed; and

WHEREAS, the Developer has requested an additional 90 day extension, beyond the 210 days set forth in the ENA, and the City agrees that it is appropriate to extend the time due to delays caused by unforeseen City vacancy circumstances.

WHEREAS, the Parties mutually desire to extend the Agreement by and additional ninety (90) days to three hundred (300) days from the Effective Date of the Agreement.

NOW THEREFORE, in consideration of the mutual covenants and agreements hereinafter set forth and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Parties agree as follows.

1. Extension of Negotiating Period

The Parties hereby agree to extend the Term of the exclusive negotiating period by an additional ninety (90) days to three hundred (300) days from the Effective Date of the Agreement.

2. Effect

Except as otherwise expressly set forth in this Amendment, all other terms and conditions of the Agreement remain unchanged and in full force and effect.

IN WITNESS WHEREOF, the Parties have executed this Amendment as of the date first written above.

FIRST AMENDMENT TO EXCLUSIVE NEGOTIATING RIGHTS AGREEMENT BY AND AMONG GENERAL REALTY CE, LLC AND THE CITY OF PINOLE, CALIFORNIA

THIS FIRST EXCLUSIVE NEGOTIATING RIGHTS AGREEMENT (this "**Amendment**"), dated as of September 26, 2019, amending that certain Exclusive Negotiating Rights Agreement dated May 28, 2019 (the "**Agreement**"), is entered into by and between the City of Pinole, a California municipal corporation (the "**City**") and General Realty CD, a California limited liability company (the "**Developer**"). The City and the Developer are each referred to herein as a "**Party**" or collectively referred to as the "**Parties**."

WHEREAS, the City is the owner of certain properties located at 830-850 San Pablo Avenue in the City of Pinole, California, County Assessor's Parcel Numbers 402-230-015, 402-230-016, 402-230-017, 402-230-018, 402-230-020 and 402-230-022 (the "**Properties**"), as more particularly described in Exhibit A attached hereto and incorporated herein by this reference; and

WHEREAS, the Properties were purchased by the Redevelopment Agency of the City of Pinole (the "**Agency**") with Redevelopment funds; and

WHEREAS, on June 29, 2011 the legislature of the State of California adopted Assembly Bill x1 26 (as amended by AB 1484 and SB 107, the "**Dissolution Law**"), which amended provisions of the Redevelopment Law; and

WHEREAS, pursuant to the Dissolution Law the Agency was dissolved on February 1, 2012 and the Properties were transferred to the City pursuant to a long range property management plan prepared by the City and approved by the California State Department of Finance in accordance with the Dissolution Law; and

WHEREAS, Developer anticipates expending funds to prepare architectural and design drawings and conduct certain studies that are needed to assess the feasibility of the development and construction of a commercial project on the Properties consisting of distribution and warehouse uses (the "**Project**") and Developer requires a grant of exclusive negotiating rights in order to be willing to make such expenditures; and

WHEREAS, the City desires to negotiate a development Agreement (the "**Development Agreement**"), which will include a purchase and sale agreement, for the Properties, with Developer; and

WHEREAS, the City and Developer have been using their best efforts to successfully negotiate the Development Agreement and a Purchase and Sale Agreement for the Property and proposed Project, subject to certain terms and conditions; and

WHEREAS, pursuant to the Agreement the Parties agreed to exclusively negotiate with each other for a period of one hundred and twenty (120) days, subject to mutual extension of an additional ninety (90) days; and

WHEREAS, the Parties mutually desire to extend the Agreement by ninety (90) days.

NOW THEREFORE, in consideration of the mutual covenants and agreements hereinafter set forth and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Parties agree as follows.

1. Extension of Negotiating Period

Pursuant to Section 3.b of the Agreement, the Parties mutually agree to extend the Term of the Agreement by ninety (90) days. The Term of the Agreement shall expire two hundred ten (210) days from the Effective Date of the Agreement. The Parties may agree to additional extension of the Term with the approval of the City Council.

2. Effect

Except as otherwise expressly set forth herein, all other terms and conditions of the Agreement remain unchanged and in full force and effect.

IN WITNESS WHEREOF, the Parties have executed this Agreement as of the date first written above.

CITY COUNCIL REPORT

7F

DATE: OCTOBER 15, 2019

TO: MAYOR AND COUNCIL MEMBERS

FROM: SCOTT KOUNS, FIRE CHIEF

SUBJECT: APPROVE FUNDING ALLOCATION OF \$94,000 FROM MEASURE S 2006 FUND BALANCE TO COMPLETE THE DORM SEPARATION AND PRIVACY REMODEL PROJECT AT FIRE STATION 73

RECOMMENDATION

It is recommended that the City Council approve a funding allocation of \$94,000 from Measure S 2006 Fund Balance to complete the dorm privacy and dorm separation from apparatus bay room project at Fire Station 73.

BACKGROUND

On February 19, 2019, the City Council approved a mid-year budget adjustment for Fire Station 73 repair work totalling \$94,000 which included \$79,000 for dorm room privacy and \$15,000 for a dorm room air separation door from the apparatus bay. Originally, \$24,000 was budgeted from General Fund Fund Balance, and the remainder from Measure S 2006 Fund Balance. This funding was not carried forward with the new FY 2019/20 budget adoption.

Because of the time it took for multiple contractors to provide bids, and with only one providing a complete bid, the project was delayed. This construction project will include; new walls, doors, windows, lighting, electrical, HVAC relocation, paint, flooring, lockers, and beds with Murphy bed frames.

REVIEW AND ANALYSIS

There is an open pathway from the apparatus bay to the living quarter (dorm) on the second floor. Firefighter clothing, "turnouts", as they are referred to, are stored below stairs leading up to the second floor dorm room. Off gassing materials from the turnout area storage can enter into the dorm room. Partitioning this area off will better control the off gassing material.

The dorm room is an open area with 4' partitions separating each bed but providing no privacy. Separating the dorm into separate rooms will provide privacy.

FISCAL IMPACT

Staff is recommending allocating \$94,000 from Measure S 2006 Fund Balance. There is sufficient Measure S 2006 Fund Balance to cover this expense.

**RESOLUTION OF THE CITY COUNCIL OF THE CITY OF PINOLE
AUTHORIZING A FUNDING ALLOCATION OF \$94,000
FROM MEASURE S 2006 FUND BALANCE TO COMPLETE THE DORM SEPARATION AND
PRIVACY REMODEL PROJECT AT FIRE STATION 73**

WHEREAS, the Pinole Fire Department was approved for \$94,000 in fiscal year 2018/19 in General Fund and Measure S 2006 Fund Balance allocation for a Fire Station 73 dorm separation and privacy remodel project; and

WHEREAS, the bid process took longer than anticipated, prolonging the project; and

WHEREAS, the FY 2018/19 funding was not carried forward into FY 2019/20; and

WHEREAS, a contractor has now been selected and this project is ready to proceed; and

WHEREAS, funding is available in the Measure S 2006 Fund Balance.

NOW, THEREFORE, BE IT RESOLVED that the City Council of the City of Pinole does hereby:

Section 1: Approve the funding amount of \$94,000 to complete the Fire Station 73 dorm separation and privacy remodel project from the Measure S 2006 Fund Balance; and

Section 2: Authorize the Finance Director to amend the FY 2019/20 budget to reflect this change.

CITY COUNCIL REPORT

7G

DATE: OCTOBER 22, 2019

TO: MAYOR AND COUNCIL MEMBERS

FROM: TAMARA MILLER, DEVELOPMENT SERVICES DIRECTOR/CITY ENGINEER

SUBJECT: APPROVE AN AMENDMENT TO THE PROFESSIONAL SERVICES AGREEMENT WITH CAROLLO ENGINEERS FOR THE PINOLE HERCULES WATER POLLUTION CONTROL PLANT UPGRADE PROJECT IN AN AMOUNT NOT TO EXCEED \$215,170

RECOMMENDATION

Adopt a resolution authorizing the City Manager to execute an amendment to the professional services agreement with Carollo Engineers for construction management services for the Pinole-Hercules Water Pollution Control Plant (PH WPCP) Upgrade project in an amount not to exceed \$215,170.

BACKGROUND

On June 11, 2015 the City Council approved a professional services agreement with Carollo Engineers to provide construction management services during construction of the PH WPCP Upgrade project. On January 19, 2016, February 16, 2016, November 13, 2018, and again on May 7, 2019 the City approved amendments to the agreement to expand service initially to include the Fiscal Administrator role and the Public Works Director role and then to cover multiple extensions to the duration of the Project. Carollo has been engaged in construction management services for this project since the start of construction in June 2016.

The PH WPCP Upgrade project has experienced several delays. The most prominent delay was linked to delayed service delivery by PG&E. Additional delays have occurred due to the need to resolve some unforeseen conditions, resolve some design clarifications arising out of the use of "or equal" items which is required by the SRF Program, and contractor delays. These delay require the City to rely upon Carollo for an extended period of time to continue to provide the construction management role. Substantial completion of the PH WPCP Upgrade Project was expected to be July 2019.

The major milestone of Substantial Completion was achieved on October 1, 2019.

REVIEW AND ANALYSIS

At the last WPCP Subcommittee, Mike Warriner of Carollo Engineers provided the quarterly update for the project and shared with the WPCP Subcommittee the need to again amend their contract to correspond with the extended term of construction.

Carollo has provided a request for an additional \$215,170 for additional resources which is shown in Attachment B. Please note this request does not include claim defense if required. If it becomes necessary to take any of the claims to arbitration, additional scope and funding will be necessary.

FISCAL IMPACT

This Amendment Five would increase the overall agreement with Carollo Engineers to a total not to exceed amount of \$4,193,662.

The Council has already approved the funding for this project which is jointly funded with the City of Hercules, and has approved a Fiscal Agreement for the project. The project includes a 7% contingency or \$3,020,010. The Fiscal Agreement already sets forth the requirement to increase the escrow deposit upon the request of the Fiscal Officer if necessary, using our Sewer Enterprise Fund Balance. It is recommended that this amendment to the professional services agreement with Carollo Engineers be approved with an understanding that the funds may have to be supplemented as per the Fiscal Agreement prior to the close of the project.

RESOLUTION OF THE CITY COUNCIL OF THE CITY OF PINOLE, COUNTY OF CONTRA COSTA, STATE OF CALIFORNIA, APPROVING AN AMENDMENT TO THE PROFESSIONAL SERVICES AGREEMENT WITH CAROLLO ENGINEERS FOR THE PINOLE HERCULES WATER POLLUTION CONTROL PLANT UPGRADE PROJECT IN AN AMOUNT NOT TO EXCEED \$215,170

WHEREAS, The City of Pinole desires to expand the services provided by Carollo Engineers in the capacity of Construction Management for the Pinole Hercules Water Pollution Control Plant Upgrade Project; and

WHEREAS, Carollo Engineers has served in the capacity of Construction Management since the project began in June 2016; and

WHEREAS, substantial completion is extended out again from the prior expected date of July 2019; and

WHEREAS, substantial completion was achieved on October 1, 2019; and

WHEREAS, Carollo Engineers has provided an outline of the additional services needed to correspond to this substantial completion date and the cost thereof; and

WHEREAS, the Wastewater Subcommittee, at their last meeting, again was informed that the project term was extended requiring additional services; and

WHEREAS, funding has been established in the project's contingency fund as well as provisions for additional funds in the Fiscal Agreement; and

NOW, THEREFORE, BE IT RESOLVED, that the City Council of the City of Pinole does hereby:

Section 1: Approve Amendment Five to the Professional Services Agreement with Carollo Engineers for Pinole Hercules Water Pollution Control Plant Upgrade Project in an amount not to exceed \$215,170; and

Section 2: Authorize the City Manager to execute Amendment Five to the Professional Services Agreement with Carollo Engineers; and

Section 3: Authorize the Finance Director to increase the escrow deposit using our Sewer Enterprise Fund Balance, as necessary, in accordance with the Fiscal Agreement between the City of Pinole and the City of Hercules.

CONSTRUCTION MANAGEMENT SERVICES**

AMENDMENT NUMBER FIVE

Date: October 22, 2019

WHEREAS, Carollo Engineers, Inc. and the City of Pinole have fully executed a Construction Management Agreement dated June 11, 2015 concerning improvements to the Pinole Hercules Water Pollution Control Plant Upgrade Project (the "Agreement"), and

WHEREAS, the above parties have amended this Agreement on January 19, 2016, on February 16, 2016, on October 2, 2018, and again on May 7, 2019 and wish to amend the Agreement again pursuant to paragraph 32 "Amendment" (page 10 of 14) to adjust paragraph 4, section B. "Compensation" (page 1 of 14) and adjust Exhibit A "Scope of Work and Schedule", and

WHEREAS, the above parties intend to amend the term and conditions of the Agreement to allow for mutually acceptable changes in the scope, character, or complexity of the work that best can be summarized as Task 10 the additional Carollo Engineers, Inc. cost for Construction Management with the Project construction expanding in time to match the substantial completion date.

THEREFORE, in consideration of the expanded scope of services to be provided by Carollo Engineers, Inc; the additional compensation to Carollo Engineers, Inc. for these services shall not exceed \$215,170 per Task 10 on the attached Exhibit "A".

FURTHER MORE, the above additional services are required to complete the project as contemplated. The services of Task 10 are in addition to the base Agreement limitation amount of \$2,152,084, plus Amendment 1 amount of \$196,876, and plus Amendment Two amount of \$775,632, plus Amendment Three amount of \$504,980, plus Amendment Four amount of \$348,920 and raises the limitation amount to \$ 3,978,492 which cannot be exceeded without prior approval by the Pinole City Council and written authorization of the City Manager. Amendment Five amount of \$215,170 now raises the limitation amount to \$4,193,662 which cannot be exceeded without prior approval by the Pinole City Council and written authorization of the City Manager

IN WITNESS WHEREOF, the parties hereto have executed this document the day, month and year first above written.

EFFECT OF THE AMENDMENT. The terms and conditions of this Amendment are intended by the Parties to modify the Agreement. To the extent there is any inconsistency between the terms of this Amendment and the terms of the Agreement and/or its Appendix, the terms of this Amendment shall control.

Receive the FY 2018-19 Fourth Quarter Financial Report.

BACKGROUND

For the period July 1, 2018 through June 30, 2019, cash flows were sufficient to sustain normal City operations and to satisfy Enforceable Obligation payment commitments of the City's Successor Agency.

Staff has completed a review of the fourth quarter financial performance for the City's FY 2018-19 Budget. While the fiscal year 2018-19 financials are still being analyzed and adjusted during the course of the year-end audit, the City's financial condition continues to hold steady with a projected General Fund use of fund balance of \$13.9 million. Council approved use of fund balance from prior year surplus for one-time uses are explained below.

REVIEW & ANALYSIS

General Fund Revenue Analysis

The adopted Budget for FY 2018-19 anticipated a use of fund balance for one-time expenditures in the amount of \$14.7 million. The \$14.7 million use of fund balance is the result of Council's direction at the November 13, 2018 meeting:

- Transferred \$16.3 million to the Section 115 Trust;
- Allocated \$4.6 million to fully fund the General Reserve;
- Repaid \$1.6 million balance of the loan from the former Redevelopment Agency;
- Allocated \$1 million to purchase a new fire engine;
- Established a Disaster Relief Fund in the amount of \$100,000.

The economy in Pinole is sustained with overall revenue of 100% realized through the end of the fiscal year. The City uses HdL, Coren & Cone Consultants to provide an analysis of property assessed values and Sales Tax projections. Budget projections are based on a conservative estimate of HdL, Coren & Cone's analysis.

- **Sales Tax**

For FY 2018-19, Sales Tax revenue was the City's largest General Fund revenue stream which has shown steady increases year-over-year. Sales Tax collections for the fourth quarter are 101% of projections which is slightly more than collections for the same period in the prior fiscal year. However, it must be noted that three (3) of the City's top 15 sales tax generators (Toys R Us, Orchard Supply and Kmart) have closed and final receipts in some cases are included in the FY 2018-19 collections. The City is assessing the effects of the loss of revenue, and Ace Hardware has recently opened in the former Orchard Supply Hardware location. Roughly estimating the General Fund impact of these retail losses, it's around \$200,000. There will be similar losses in Measure S 2006 and Measure S 2014, meaning under our current model expenses charged to those funds will need to be shifted to the General Fund to balance those budgets.

- **Property Tax**

For FY 2018-19, Property Tax was the City's second largest General Fund revenue stream with total fourth quarter collections at 101% of projections (basic 1% property tax received at 95% of projections). Property Tax settlements are received in December, April, and June.

Included in Property Tax are Redevelopment Property Tax Trust Funds (RPTTF) and County pass-through payments. These payments are the result of the dissolution of the former Pinole Redevelopment Agency, and represent the shift from the Agency receiving the tax revenue to the taxing entities receiving the tax revenue. These receipts vary year to year and for FY 2018-19 we received revenues at 115% of projections, for a total of \$1.4 million. The City receives 18.7% of RPTTF revenues which are not obligated to pay off former Redevelopment debt. Budget projections are based on a conservative estimate of prior year actual receipts. The FY 2018-19 budgeted amount for RPTTF and pass-through payments were \$1,200,000.

As mentioned above, the City is also receiving pass-through payments as part of the RDA dissolution. At the outset of Redevelopment Agencies the Agency was allowed to enter into pass-through agreements with other taxing entities. Basically this was a promise to pay an amount beyond what the taxing entity would receive once the assessed value and property tax allocation was capped – remember the Agencies began receiving 100% of the property tax increment above the base year value. However, the Agency could not enter into a pass-through agreement with their sponsoring agency – the City. In 1994 the law changed to reflect that the sponsoring agency (the City) could receive a statutory pass-through payment if the

Redevelopment Plan was amended. The City of Pinole did amend our Plan to extend the duration, as was allowed because of the ERAF shift of payments to the schools. Staff and the City Attorney's Office feel it was this Plan amendment that has triggered the pass-through payments we are now seeing in the former RDA tax distribution calculations.

For FY 2019-20 the budget includes \$1.3 million in anticipated RPTTF and pass-through payments.

Both the residual RPTTF and pass-through payments will convert to "normal" property tax payments upon the termination of all of the outstanding debt and formal dissolution of the former Redevelopment Agency. That is currently expected to occur in approximately 2025.

- ***All Other General Fund Revenue***

For FY 2018-19 Intergovernmental tax revenue was the City's third largest General Fund revenue stream at 106% (includes Motor Vehicle License Fee at 106% of projections; and Home Owner Property Tax Relief at 85% of projections); Utility Users Tax was the City's fourth largest General Fund revenue stream with 94% realized at the end of the fourth quarter. Franchise Tax is at 99% of projections for the year; Other Taxes which includes Transient Occupancy Tax and Business Licenses are at 100% of projections.

State Grants were realized at 106% of projections for the year (includes Post Reimbursable and AB4114 Abandoned Vehicle receipts, and SB90 Mandated Costs reimbursements). Other Grant receipts which include Measure H are at 96% of projections. Permit revenue, which is comprised of sidewalk, general, and grading permit revenue, is at 75% of projections. Review fees, which is comprised of plan check fees, is at 112% of projections. Other Fees, which includes fire inspections and garbage levy's, were received at 116% of the budget. Abatement fees for Code Enforcement activities were received at 177% of projections. Fines and Forfeitures are at 88% of projections; Public Safety Charges are at 86% of projections (FY 2018-19 Dispatch true-up invoices resulted in a credit to San Pablo of -\$48,573, and to Hercules of -\$15,331); Interest and Investment Income is at 118% of projections as a result of increased use of the Local Agency Investment Fund (LAIF) for idle funds; Rental Income was received at 110% of projections; Reimbursements are at 96% of projections; Other Revenue is at 51% of projections; and, Proceeds from the Sale of Property is at 12% of projections due to surplus equipment sold during the year.

General Fund Expenditure Analysis

The City Council approved the FY 2018-19 General Fund Budget with specific expenditure assumptions limiting expenditures to maintain a balance between anticipated revenues and planned expenditures, while authorizing the use of fund balance for specific one-time expenditures. As stated above, one-time uses were:

- \$16,287,510 to fund the Section 115 Trust;
- \$4,600,806 to fully fund the General Reserve;
- \$1,592,071 to repay the balance of the loan from the former Redevelopment Agency;
- \$1 million to purchase a new fire engine;
- \$100,000 to establish a Disaster Relief Fund.

Operating Budgets for the City's General Fund are at 97% of projections at the end of the fourth quarter. City Council expenditures are at 108% of budget resulting from increased PCTV charges for master control services, and difference in benefit expenses for new Councilmember's. Expenditures for City Manager are at 109% of budget as a result of indirect benefit cost allocations to other funding sources less than budgeted. City Attorney expenditures are at 318% of budget as a result of cost allocations to other funding sources less than budgeted, and net attorney services cost 77% of budget. Police is at 104% of budget as a result of dispatch overtime exceeding budget, and a position funded from Measure S 2006 allocated to General Fund in error. Fire is at 67% of budget as a result of the fire engine allocated but not purchased. Public Works is at 114% of budget as a result of a large vacation leave payout due to a retirement.

Recommendation:

Staff is not recommending FY 2018-19 General Fund revenue or expenditure adjustments as the fiscal year is closed and currently being audited.

In summary, having monies available in the General Fund balance will allow the Council to consider authorizing necessary expenditures without the need to transfer from the Reserve account. As mentioned previously, staff is still analyzing impacts to our sales tax revenues in future budget years related to the recent retail closures and retenanting.

OTHER FUNDS

Measure S 2006 and 2014 Analysis

The voter-approved 2006 City Use Tax is levied at 0.5% on all retail sales. These taxes have been allocated by the City Council to fund Public Safety Programs as their highest funding priority. Measure S 2006 revenue collections were 102% of projections at the end of the fourth quarter, while expenditures are at 83% of appropriations.

The voter-approved 2014 City Use Tax is also levied at 0.5% on all retail sales. These funds are used to address some of the City's operational and capital improvement needs. Measure S 2014 revenue collections are 102% of projections at the end of the fourth quarter, while expenditures are 48% of appropriations. This level of expenditure is primarily due to capital projects continuing into FY 2019-20.

Interest and Investment Income Analysis

The City pools its cash together into one account to maximize interest earnings, and allocates interest earned to the pooled funds on a quarterly basis. Several funds had Interest and Investment earnings in excess of projections as noted in the financial report Attachment A. This is the result of an increased use of LAIF for idle funds.

NPDES Storm Water Fund Analysis

The NPDES Storm Water Fund accounts for assessments collected by the County via property tax bills pursuant to the National Pollution Discharge Elimination System (NPDES) Regulations, a federally mandated program. Assessments are levied at \$35 per Equivalent Runoff Unit (ERU). Revenue estimates are based on the number of ERU's multiplied by the adopted rate. The FY 2018-19 adopted budget projected a net \$2,255 use of fund balance to achieve a balanced budget. Revenue at the end of the fourth quarter is 79% of projections, while expenditures are 96% of appropriations. The Stormwater Utility Assessment FY 2018-19 revenue budget was not updated from the previous fiscal year, and should have reflected \$262,603 based on prior three-year averages. As a result, the NPDES Storm Water Fund is now projecting a \$53,881 use of fund balance.

Recreation Department

Overall, the Recreation Department realized 93% of projected revenue and 93% of expenditure projections at the fiscal year-end. Swim Center revenue was realized at 122% of projections inclusive of the City's contribution of around \$33,000. Swim Center expenditures are at 114% of budget. Youth Center program revenue is at 47%, while Youth Center and Day Camp expenditures are at 74% and 9% respectively due to low enrollment.

Building & Planning Fund Analysis

The Building Fund's FY 2018-19 adopted budget projected a net \$403,103 use of fund balance to achieve a balanced budget. Revenue at the end of the fourth quarter is 90% of projections, while expenditures are 68% of appropriations. As a result, the Building and Planning Fund is now projecting a \$274,755 use of fund balance. Staff continues to work on hiring full-time regular employees for vacancies in this operational area, which should reduce ongoing expenditures. However, many of the expenses in this Division are reimbursed through permit and other fees.

Refuse Management Fund Analysis

The Refuse Management Fund accounts for resources received via Richmond Sanitary Service for a fee imposed under AB 939 of \$0.83 per can per month on all residential customers in Pinole. These revenues are restricted to programs and

activities that encourage and promote recycling of solid waste products and generate source reduction for sanitary landfills used for refuse disposal and trash reduction. Revenue collections at year-end are 109% of projections, and expenditures are 99% of projections.

Housing Administration Analysis

Activities associated with administering housing programs of the former Pinole Redevelopment Agency, use of Housing Set Aside funds, and the provision of affordable housing within the community are maintained within the Housing Fund.

Revenue at the end of the fourth quarter is at 481% of projections. This is the result of additional proceeds from the sale of the Pinole Assisted Living Community property (the land was a Housing asset, but not the improvements). Expenditures are 100% of appropriations at fiscal year-end.

Sewer Enterprise Fund Analysis

The Sewer Enterprise Fund accounts for fees charged to residents and businesses for sewer utilities. Fees are used to operate the Pinole-Hercules Wastewater Treatment Plant which services the Pinole and Hercules areas. Revenue received is 104% of projections while expenses are 56% of projections. This is the result of capital projects planned but not completed which have been carried forward to FY 2019-20.

Recommendation:

Staff is not recommending FY 2018-19 budget adjustments in any funds as the fiscal year is closed and currently being audited.

FISCAL IMPACT

The following funds are projecting a 2018-19 fiscal year-end use of fund balance:

Fund	Amount
General Fund – 100	-\$13,878,979
Measure S 2006 - 105	-\$1,704
NPDES Storm Water - 207	-\$53,881
Recreation - 209	-\$593
Building & Planning – 212	-\$274,755
Refuse Management - 213	-\$337,535
Housing – 285	-\$4,668,268

These uses of fund balance were anticipated when the FY 2018-19 budget was adopted.

CITY COUNCIL REPORT

9B

DATE: OCTOBER 15, 2019

TO: MAYOR AND COUNCILMEMBERS

FROM: HECTOR DE LA ROSA, ASSISTANT CITY MANAGER

**SUBJECT: RECEIVE AND REVIEW A REPORT FROM HdL ECONSOLUTIONS
ON THE CITY'S MARKET ANALYTICS, VOID ANALYSIS AND
COMMUNITY PROFILE REPORTS**

RECOMMENDATION

It is recommended that the City Council of the City of Pinole receive and review a report from HDL Econsolutions on the City's Market Analytics, Void Analysis and Community Profile reports, and provide direction to staff.

BACKGROUND

Within the last year the City has seen a drop in its sales tax receipts due to the closure of three large retailers located in the Fitzgerald area shopping center. The closure of these businesses projected an estimated loss of over \$400,000 in sales tax, inclusive of both of our Measure S taxes.

In an effort to minimize future impacts of lost retail revenues, staff reached out to HdL for assistance in seeking economic development data which would be useful when evaluating and/or attracting retail opportunities to Pinole. Staff reached out to HdL because we contract with them for sales tax data analysis, and they are the largest privately held sales tax database in the State of California with sales tax data for 99% of the statewide businesses. EconSolutions can utilize this data to demonstrate to retailers the massive sales tax leakage and opportunities in Pinole.

On June 4, 2019, the City Council approved a contract with HdL for preparation of certain reports and analysis to assist the City in its economic development and retail opportunity efforts.

REVIEW AND ANALYSIS

HdL has completed the reports and will be present to provide an overview of their findings. The reports and a brief outline of their purposes are referenced below:

- Market Analytics - provides analytical data for trade areas within the City of Pinole. Report includes consumer demographic, household segmentations profiles, employment profile, and consumer demand & market assessment (shopping and buying habits and behaviors), which assist retailers understanding of the trade area market.
- Void Analysis - looks at the type of businesses in similar communities of our size, types of businesses that cater to markets of our size and any leakage of potential revenues due to the void of those businesses in our community.
- Community Profile – information on Pinole's market area, community characteristics and economic indicators. This information can also be placed on the City's website.

HdL is currently working on the Marketing Packet and plan to deliver the product by mid November. The Marketing Packet will be a template that City of Pinole can use for marketing opportunities for users for Pinole. The format will include 1) one paragraph for a community summary; 2) Pinole Business Summary listing; 3) a section to insert a description of specific sites—including site plans or aerials; 4) Market Analytics Summary of key demographics, employment profile and household segmentation; and 5) trade area opportunities based on consumer demand and market supply assessment, and void analysis.

In addition to the products above, the City Council approved but deferred implementation of a retail outreach component of the contract. The outreach service component provides for HdL to connect a potential business with vacant retail sites, and assist in trying to facilitate a deal between the potential business and property owner. Staff is now looking for Council's direction on how to proceed with this service.

FISCAL IMPACT

The total approved cost for HdL's services was \$34,000, with \$15,000 deferred until further direction from the Council. The breakdown of the cost includes \$5,000 for the Market Analysis, \$5,000 for the Void Analysis, \$4,000 for the Marketing Packet, \$5,000 for the Community Profile, and \$15,000 for the business attraction assistance billed on an hourly rate.

Given that this agreement was approved on June 4th, funding was not included in the Fiscal Year 2019-2020 General Government Division. Funding will be included in the 1st quarter update in the amount of \$34,000

Data for this report is provided via the Market Outlook database from Synergos Technologies, Inc (STI).

- Market Outlook is based on the following -
- the Consumer Expenditure Survey (CE), a program of the Bureau of Labor Statistics (BLS);
 - the U.S. Census Bureau’s monthly and annual Retail Trade (CRT) reports;
 - the Census Bureau’s Economic Census; with supporting demographic data from STI: PopStats data and STI: WorkPlace.

Market Outlook data covers 31 leading retail segments and 40 major product and service lines.

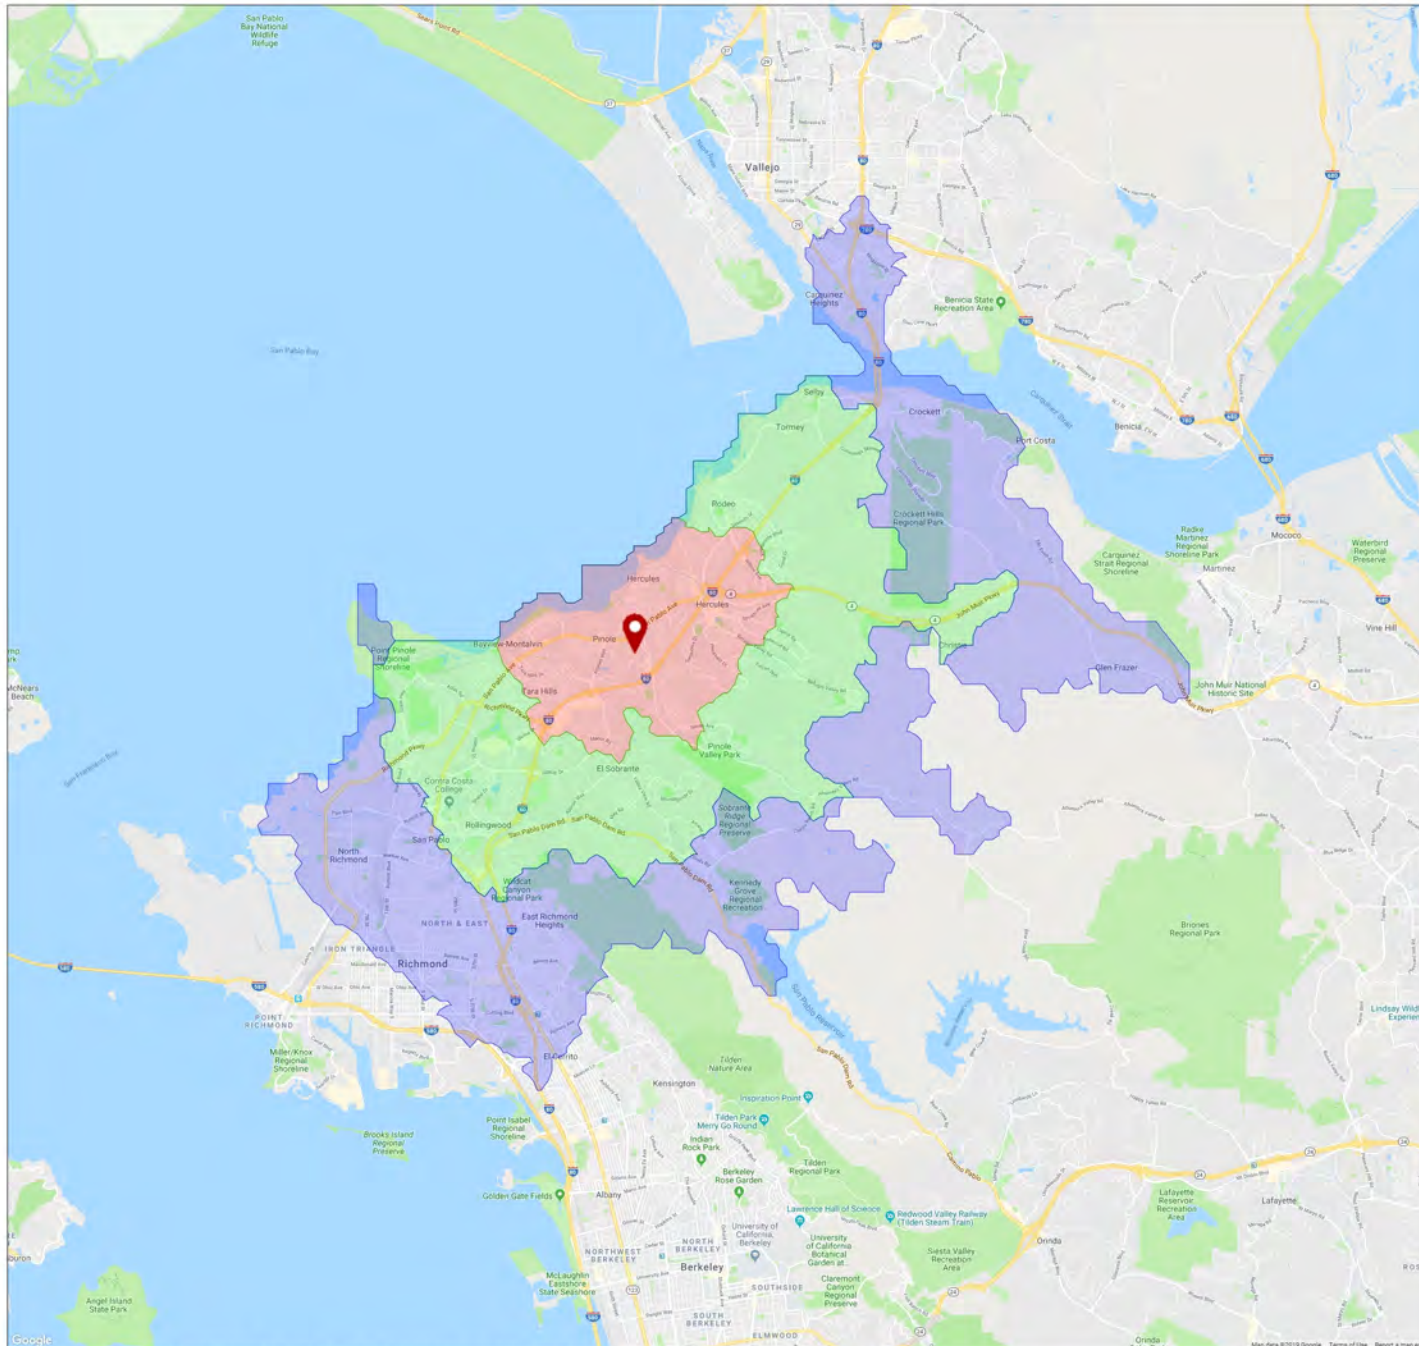

The difference between demand and supply represents the opportunity gap or surplus available for each retail outlet cited on the Market Outlook report for the specified trade area or reporting geography. When the demand is greater than (or less than) the supply, there is an opportunity gap (or surplus) for that retail outlet. In other words, a negative value signifies an opportunity gap where the Consumer Demand is higher than the Market Supply, while a positive value signifies a surplus.

Consumer Demand/Market Supply Index:

- n = 100 (Equilibrium)
- n > 100 suggests demand is not being fully met within the market, consumers are leaving the area to shop
- n < 100 suggests supply exceeds demand, attracting consumers from outside the defined area

Data for this report is provided via the Market Outlook database from Synergos Technologies, Inc (STI).

- Market Outlook is based on the following -
- the Consumer Expenditure Survey (CE), a program of the Bureau of Labor Statistics (BLS);
 - the U.S. Census Bureau’s monthly and annual Retail Trade (CRT) reports;
 - the Census Bureau’s Economic Census; with supporting demographic data from STI: PopStats data and STI: WorkPlace.

Market Outlook data covers 31 leading retail segments and 40 major product and service lines.

The difference between demand and supply represents the opportunity gap or surplus available for each retail outlet cited on the Market Outlook report for the specified trade area or reporting geography. When the demand is greater than (or less than) the supply, there is an opportunity gap (or surplus) for that retail outlet. In other words, a negative value signifies an opportunity gap where the Consumer Demand is higher than the Market Supply, while a positive value signifies a surplus.

Consumer Demand/Market Supply Index:

- n = 100 (Equilibrium)
- n > 100 suggests demand is not being fully met within the market, consumers are leaving the area to shop
- n < 100 suggests supply exceeds demand, attracting consumers from outside the defined area

Data for this report is provided via the Market Outlook database from Synergos Technologies, Inc (STI).

Market Outlook is based on the following -

- the Consumer Expenditure Survey (CE), a program of the Bureau of Labor Statistics (BLS);
- the U.S. Census Bureau's monthly and annual Retail Trade (CRT) reports;
- the Census Bureau's Economic Census; with supporting demographic data from STI: PopStats data and STI: WorkPlace.

Market Outlook data covers 31 leading retail segments and 40 major product and service lines.

The difference between demand and supply represents the opportunity gap or surplus available for each retail outlet cited on the Market Outlook report for the specified trade area or reporting geography. When the demand is greater than (or less than) the supply, there is an opportunity gap (or surplus) for that retail outlet. In other words, a negative value signifies an opportunity gap where the Consumer Demand is higher than the Market Supply, while a positive value signifies a surplus.

Consumer Demand/Market Supply Index:

$n = 100$ (Equilibrium)

$n > 100$ suggests demand is not being fully met within the market, consumers are leaving the area to shop

$n < 100$ suggests supply exceeds demand, attracting consumers from outside the defined area

Data for this report is provided via the Market Outlook database from Synergos Technologies, Inc (STI).

Market Outlook is based on the following -

- the Consumer Expenditure Survey (CE), a program of the Bureau of Labor Statistics (BLS);
- the U.S. Census Bureau’s monthly and annual Retail Trade (CRT) reports;
- the Census Bureau’s Economic Census; with supporting demographic data from STI: PopStats data and STI: WorkPlace.

Market Outlook data covers 31 leading retail segments and 40 major product and service lines.

The difference between demand and supply represents the opportunity gap or surplus available for each retail outlet cited on the Market Outlook report for the specified trade area or reporting geography. When the demand is greater than (or less than) the supply, there is an opportunity gap (or surplus) for that retail outlet. In other words, a negative value signifies an opportunity gap where the Consumer Demand is higher than the Market Supply, while a positive value signifies a surplus.

Consumer Demand/Market Supply Index:

- n = 100 (Equilibrium)
- n > 100 suggests demand is not being fully met within the market, consumers are leaving the area to shop
- n < 100 suggests supply exceeds demand, attracting consumers from outside the defined area

Consumer Demand & Market Supply Assessment

Site: I-80 and Appian Way
Address: I-80 and Appian Way | Pinole CA
Date Report Created: 6/20/2019

Data for this report is provided via the Market Outlook database from Synergos Technologies, Inc (STI).

Market Outlook is based on the following -

- the Consumer Expenditure Survey (CE), a program of the Bureau of Labor Statistics (BLS);
- the U.S. Census Bureau's monthly and annual Retail Trade (CRT) reports;
- the Census Bureau's Economic Census; with supporting demographic data from STI: PopStats data and STI: WorkPlace.

Market Outlook data covers 31 leading retail segments and 40 major product and service lines.

The difference between demand and supply represents the opportunity gap or surplus available for each retail outlet cited on the Market Outlook report for the specified trade area or reporting geography. When the demand is greater than (or less than) the supply, there is an opportunity gap (or surplus) for that retail outlet. In other words, a negative value signifies an opportunity gap where the Consumer Demand is higher than the Market Supply, while a positive value signifies a surplus.

Consumer Demand/Market Supply Index:

- n = 100 (Equilibrium)
- n > 100 suggests demand is not being fully met within the market, consumers are leaving the area to shop
- n < 100 suggests supply exceeds demand, attracting consumers from outside the defined area

Data for this report is provided via the Market Outlook database from Synergos Technologies, Inc (STI).

Market Outlook is based on the following -

- the Consumer Expenditure Survey (CE), a program of the Bureau of Labor Statistics (BLS);
- the U.S. Census Bureau’s monthly and annual Retail Trade (CRT) reports;
- the Census Bureau’s Economic Census; with supporting demographic data from STI: PopStats data and STI: WorkPlace.

Market Outlook data covers 31 leading retail segments and 40 major product and service lines.

The difference between demand and supply represents the opportunity gap or surplus available for each retail outlet cited on the Market Outlook report for the specified trade area or reporting geography. When the demand is greater than (or less than) the supply, there is an opportunity gap (or surplus) for that retail outlet. In other words, a negative value signifies an opportunity gap where the Consumer Demand is higher than the Market Supply, while a positive value signifies a surplus.

Consumer Demand/Market Supply Index:

- n = 100 (Equilibrium)
- n > 100 suggests demand is not being fully met within the market, consumers are leaving the area to shop
- n < 100 suggests supply exceeds demand, attracting consumers from outside the defined area

COMMUNITY PROFILE

The Community

The City of Pinole was incorporated in 1903 and is located in the San Francisco Bay area on the shores of San Pablo Bay in West Contra Costa County. Pinole has a strategic location with connection to a world-class freeway system, including Interstate-80 which connects with easy access to San Francisco/Oakland to the south and Sacramento to the north, along with State Route 4 that is linked to Contra Costa cities such as Concord, Martinez, Pleasant Hill, Walnut Creek and I-680. Within Pinole, three major arterials run along I-80 including Fitzgerald Drive, Appian Way and Pinole Valley Road that include numerous shopping centers.

Pinole is known for its 'big box' shopping opportunities and has over 50 major retailers and restaurants situated within Pinole shopping centers including Applebee's, Best Buy, Bevmo, Burlington, Chipotle, Grocery Outlet, In N Out, Trader Joe's and Ulta Beauty as a sample of some of the desirable businesses with a Pinole address.

Pinole presents a superb quality of life. Pinole has a population of nearly 20,000 and offers the feel of a small-town community. Pinole offers a daytime population of more than 15,000, along with easy access to a trade area population of nearly 190,000 within a 10-minute drive time and an Average Household Income of nearly \$90,000. Pinole has a land area of more than five square miles with much of land containing gently rolling hills, plus a historic and quaint downtown with many turn of the century buildings. Pinole has a mild climate with no real extremes-with an average low temperature of mid-40's in the winter to mid-80's in the summer. Pinole offers a strategic location to live, work, shop and visit.

Labor Market Breakdown

Between 2013 and 2018 the Contra Costa County MSA unemployment rate decreased four percentage points down from 7.3% to 3.1%. The decrease can be attributed to both a growing labor force and an increasing number of total employment throughout the county. During the first quarter of 2019, the City of Pinole's employment rate increased 0.4% with Health Care & Social Assistance and Retail Trade where 103 and 35 new jobs were created respectively. The city's expanding labor force have led to a smaller number of people searching for work.

HdL ECONsolutions - Void Analysis

METHODOLOGY

A Void Analysis was done to identify possible good fits for new retailers and restaurants for Pinole. The Void Analysis is a condensed version of a larger query to include those retailers and restaurants that are well suited for a specific city based on trade area, demographics, household segmentation, employment profile as well as and most importantly an analysis of the Consumer Demand and Market Supply Assessment. The Void Analysis uses a software and information which utilizes site specific data and considers relevant sales gaps along with retailer match scores to create a listing of retailers and restaurants that have a higher probability of possibly locating in your city. This analysis is designed to filter through over 1,100 retailers and restaurants in the database to provide the end user with quick access to those businesses that may be interested in your City, which will help save time in your retail recruitment efforts.

The Void Analysis uses a software program that provides a match scoring algorithm based on a proprietary index created by SiteSeer Technologies that is specifically matched to a trade area or community. The match score ranges from 0-100 with a score of zero indicating that the chain has never located in a trade area similar to yours and a score of 100 indicating that the chain almost always locates in a trade area similar to yours. The algorithm looks at both (a) the percentage of times each chain locates in a trade area similar to yours, and (b) how far each site metric is from the chain's median site profile. The site profile is determined by types of communities and trade areas where the tenant typically locates; site characteristics such as whether the chain typically locates in primary or secondary retail areas, on major arteries, or in areas of high business traffic; and trade area consumers demographics and behaviors.

Sample search metric:

Tenant Search Area:	Anytown, CA	
Tenant Exclusion Area:	3 Miles	
	<u>Minimum</u>	<u>Maximum</u>
Locations in Search Area:	1	
Locations in California:	3	

<u>Retail Classes to include in Search:</u>	<u>Center Types:</u>	<u>Tenant Sizes:</u>

To further provide even stronger possibilities for matches to a specific community or trade area, HdL ECONSolutions takes the match scores, along with doing further analysis on retail and restaurant possibilities based on HdL ECONSolutions significant understand of what types of trade areas retailers and restaurants are looking for in California. HdL ECONSolutions works closely with a network of over 600 retailers, restaurants, brokers and site selectors on many project throughout California. Additionally, we're constantly refining a database of building footprints, market preferences, trade area needs and shopping center requirements to formulate a Void Analysis that truly represents strong possibilities for new retailers and restaurants.

For Pinole, the Void Analysis produced 36 possibilities as being good possibilities for Pinole to consider as targets. The Void Analysis provides a snapshot of leading Market Analytics (population, daytime population, households, average household income, average age, white collar and college degree), as well as biggest match opportunities produced from a Consumer Demand & Market Supply Assessment. For each of the 36 targeted retailers and restaurants information is provided including:

- Retailer name
- Retail Class
- Nearest Location
- Estimated Annual Sales Tax Dollars
- Building Size Desired
- Contact Person
- Email/Phone Number

RECOMMENDED NEXT STEPS

City staff for Pinole should review the '**Targeted**' retailers and restaurants to help determine site possibilities for some of the suggested targets. Understanding site possibilities will be helpful before trying to contact anyone. It is also recommended that city staff develop a marketing packet that can be used to email to prospective retailers and restaurants. Additionally, it is suggested that city staff target about 10 to 15 possibilities to initially focus on.

CITY COUNCIL REPORT 2019

10A

DATE: OCTOBER 15, 2019

TO: MAYOR AND COUNCIL MEMBERS

COPY: MICHELLE FITZER, CITY MANAGER

FROM: ERIC S. CASHER, CITY ATTORNEY
BY: ALEX MOG, ASSISTANT CITY ATTORNEY

SUBJECT: DISCUSSION REGARDING OPTIONS FOR FILLING VACANT CITY TREASURER POSITION

RECOMMENDATION

It is recommended that the City Council provide direction to staff regarding filling the vacancy caused by the recent resignation of the City Treasurer.

BACKGROUND

On October 1, 2019, Dina Rosales informed the City Manager of her intent to resign the position of City Treasurer effective no later than the end of October due to a planned move out of the City of Pinole. The City is grateful for Treasurer Rosales' contributions to the City of Pinole, and dedication to the betterment of our community. The City Treasurer position will soon be vacant, and the California Government Code requires the City Council either appoint a new Treasurer, or call an election to fill the vacancy. The current term of the City Treasurer will expire in December 2020, after the November 3, 2020 election.

ANALYSIS

Pursuant to the Government Code, an office of an elected local public agency official becomes vacant by operation of law upon the resignation of an incumbent.¹ If a vacancy occurs in an elective office, "the council shall, within 60 days from the commencement of the vacancy, either fill the vacancy by appointment or call a special election to fill the vacancy. The special election shall be held on the next regularly established election date not less than 114 days from the call of the special election."²

¹ Gov. Code Section 1770(a).

² Gov. Code Section 36512(b).

Electing A New City Treasurer

The next regularly established election date is March 3, 2020, which falls within the 114 day window as long as the City Council calls the election no later than November 10, 2019. If the City Council would like to fill this vacancy by election, the City Treasurer position would be filled by the successful candidate in the March 3, 2020 election. Since no incumbent would be seeking re-election, all nomination papers for candidates interested in the City Treasurer position would need to be filed with the City Clerk no later than December 6, 2019.

Appointing A New City Treasurer

The City Council may also choose to appoint an individual to fill the vacancy caused by the City Treasurer's resignation. Because the vacancy has occurred in the second half of the City Treasurer's current term, a person appointed to the position may serve out the remainder of the current four year term, until a replacement is elected in November 2020.

The City Council may establish any procedure that it wishes to seek applicants for appointment, including requiring written applications and conducting candidate interviews. Since the position of City Treasurer is an elective office, applicants must be (1) at least 18 years old; (2) registered to vote in the City of Pinole; (3) live in the City of Pinole; and (4) must not be convicted of a crime that revokes privileges to run for elected office. The City Council may direct the City Clerk to prepare an application form and set deadlines by which the applications must be submitted in order to meet the appointment deadlines set forth by law. The most recent City Treasurer vacancy was filled by City Council appointment.

If the City Council opts to fill the vacancy by appointment, the open meeting rules of the Ralph M. Brown Act require that candidate interviews be conducted by the entire City Council in an open meeting. Thus, the meeting to interview candidates must be scheduled as a special meeting and must be done in compliance with the Brown Act.

FISCAL IMPACT

The cost of filling the vacancy by appointment is nominal, and will include Staff and Council time to solicit and review applications and to conduct interviews. The Elections Division of Contra Costa County has advised the City that the cost of the election will be approximately \$15,000-\$25,000. In addition there will be costs related to the City Clerk and City Attorney's Office time in preparing the necessary election related documents.
