ITEMS OF INTEREST

• MEASURE C UTILITY USERS TAX FREQUENTLY ASKED QUESTIONS

Measure C on the November ballot is for Pinole residents to decide if they would like to renew the existing 8% Utility Users Tax (UUT), without a sunset provision. The UUT has currently been in place since being approved by voters in 1998, and then renewed in 2004 and 2012. At this time the UUT generates \$2 million annually in General Fund revenue, 62% of which is spent on public safety funding. Please see the attached FAQ sheet for more details. A City Council presentation is also scheduled for the October 2nd meeting.

• <u>CITY RECEIVES GFOA CERTIFICATE OF ACHIEVEMENT FOR EXCELLENCE IN</u> FINANCIAL REPORTING FOR THE 21ST CONSECUTIVE YEAR

City staff received notice from the Government Finance Officers Association that our fiscal year end 2017 Comprehensive Annual Financial Report (CAFR) qualifies for their Certificate of Achievement for Excellence in Financial Reporting. This is the 21st year in a row that Pinole has received this certification. According to the notice, "The Certificate of Achievement is the highest form of recognition in governmental accounting and financial reporting, and its attainment represents a significant accomplishment by a government and its management." In addition, an Award of Financial Reporting Achievement will also be presented to our Finance Department staff. Please join me in congratulating our Finance staff for another job well done.

BAY TRAIL OPENS!

Capping a saga that has spanned more than 30 years, the East Bay Regional Park District unveiled a \$13.2 million bridge over the railroad tracks in Pinole — the agency's most expensive and complicated trail segment to date — as part of its effort to build a continuous trail around the entire San Francisco Bay.

In a ribbon cutting ceremony Wednesday, officials from the park district, the City of Pinole and transportation agencies around the region praised the newest trail link — which consists

of a 1,100-foot bridge and 1,200-foot segment between Pinole Shores Regional Shoreline and Bayfront Park — that will expand public access to the scenic coast in northeastern Contra Costa County along San Pablo Bay.

"I think this will be iconic for the Bay Trail," said Pete Murray, mayor pro tem of Pinole. "It'll be a draw."

UTILITY USERS TAX (UUT)

FREQUENTLY ASKED QUESTIONS

WHAT IS PINOLE'S FISCAL SITUATION?

The Bay Area economy has been improving since the Great Recession, during which the Pinole community was very hard hit. However, in recent years, Sacramento lawmakers have raided local City revenues, which continues to have a negative impact on all cities budgets. Now economists are predicting a new economic downturn in 2019 or 2020.

The prior economic downturn led to significant staffing cuts and expense reductions to our community services, including:

- Police and Fire Staffing Reductions
- Near elimination of Code Enforcement Activities
- Closure of Fire Station 74 (Pinole Valley)
- Elimination of Police Multifamily Crime Free Housing Program
- Reduction in the Maintenance of City Roads, Parks, Streetlights, Sidewalks, and Storm Drains.
- Reduction in Recreation Programs

Between fiscal years 2008/09 and 2018/19 the City has implemented budget cuts resulting in reduction of 37 staff positions (25%), closure of Fire Station 74, significant reductions to employee benefit costs, and less service hours at City Hall. We are one of the very few cities in the state with a pension sharing formula —currently Safety employees pay 24.659% and non-Safety employees pay 20.547% of their salaries for their pension.

Despite these actions, Pinole may be facing the loss of \$2 million per year if community funding through our existing, voter-approved Utility Users Tax (UUT) is not renewed.

WHAT IS THE UUT?

The UUT is an <u>existing</u>, <u>Pinole voter-approved</u> tax on certain utility bills. Since 1998, residents of Pinole have paid a UUT on electricity, gas, and telephone. Like many other California cities, Pinole uses this local funding source for community services such as public safety, 9-1-1 services, fire protection, and maintenance of City roads, parks, streetlights, and sidewalks.

HOW MUCH IS THE TAX?

The tax is currently, and would continue to be, 8% of the charges made to the utility user by the service supplier. The average daily tax for all of these utilities for a Pinole household is estimated to be about fifty cents (\$0.50).

IS THIS A NEW TAX?

No. Pinole voters established the UUT in 1998 and extended it in 2004 & 2012. Renewal of the UUT will not generate any new money for the City. It just maintains the existing funding previously approved by voters.

HOW DOES THE UUT CONTRIBUTE TO PINOLE'S CITY BUDGET?

First and foremost, it stays local in Pinole. Every dollar paid by our residents for UUT goes directly to the City of Pinole. Funds generated by this funding source cannot be seized by the State. The UUT generates approximately \$2 million in local funding per year, or approximately 14% of the City's General Fund budget. It is the City's 3rd largest General Fund Revenue source, behind property and sales taxes.

HOW DID PINOLE'S UUT FIRST GET ESTABLISHED?

In November of 1998, the voters of Pinole adopted the UUT to provide locally-controlled funding for community services such as police, fire protection, and the maintenance of City roads, streetlights, and sidewalks. The UUT measure was renewed by Pinole voters in November 2004 & 2012. The voters of Pinole have an opportunity this November to consider whether to renew the UUT, without a sunset date so it remains in effect until voters remove it.

DOES EVERYONE PAY THE UUT?

Exemptions from the UUT are provided to lowincome households, recipients of veterans/ survivors pension benefits and recipients of certain governmental aid.

In addition, 100% of Measure S 2006 & a portion of Measure S 2014 are used for Police and Fire services.

CAN THE CITY CONTINUE TO PROVIDE A FULL RANGE OF SERVICES WITHOUT THIS FUNDING?

No. Loss of this local revenue source would affect the City's ability to provide services to the community, such as maintaining vital public safety services, Police patrols, and rapid 9-1-1 response. Police and Fire protection comprise more than 62% of Pinole's budget and the loss of any funding, including the UUT, would affect our community's public safety.

If the Council were forced to eliminate \$2 million from the budget service levels will be drastically impacted in Police, Public Works, Recreation (Sr Center, Youth Center, Swim Center), Pinole Community TV, Parks Maintenance, and more.

IF RENEWED, HOW DO WE KNOW THAT FUNDS WILL CONTINUE TO BE SPENT **RESPONSIBLY?**

The entire City Budget is independently audited. All City revenues including funds from the UUT are reported on and discussed at a public meeting. In addition, information is available on the City's website.

HOW CAN I GET MORE INFORMATION ON PINOLE'S **UUT AND THE CITY'S BUDGET** AND FISCAL SITUATION?

By visiting the City's website at www.ci.pinole.ca.us or by calling City Manager Michelle Fitzer at (510) 724-8933.
