## ITEMS OF INTEREST

- **CITY COUNCIL VOTES TO JOIN MARIN CLEAN ENERGY**

At their June 6<sup>th</sup> meeting the City Council voted 4-1 to unite with Contra Costa County and several other cities in the County to join Marin Clean Energy (MCE). This means that all of our current PG&E electricity customers will be enrolled in MCE by the Spring of 2018. All customers will be provided with five (5) mailers advising who MCE is, what they do, and what you can do if you wish to opt-out and remain with PG&E for your electricity service provider. There is an initial 60-day window period to opt-out for no fee. After that there is a one-time \$5 fee for residential customers and \$25 for commercial customers.

MCE offers electricity generated by renewable/clean energy sources at a higher level than PG&E currently offers standard customers, at approximately 54%. Both MCE and PG&E have plans where by customers can “buy up” to 100% renewable energy sources for an additional monthly fee.

Customers who decide to stay with MCE will not see any change in the appearance of their billing, except that the line for electricity generation will now say MCE rather than PG&E. However, PG&E will still provide the transmission lines for your energy, as well as your gas service. So PG&E remains your primary contact for service needs.

You can find information about MCE on their website at: <https://www.mcecleanenergy.org/>

- **AN EXPRESSION OF GRATITUDE TO THE PINOLE ROTARY**

On behalf of the Pinole Youth Center, the City of Pinole would like to send a warm thank you to the Pinole Rotary for their generous donations. The Pinole Rotary sought out PYC's needs for new carpet and backpack racks. The Rotary generated donations to purchase carpet for three (3) rooms at PYC and wood for the construction of back pack racks. Through the generosity of the Rotary, the children now have an organized storage space for backpacks and pleasant flooring in the computer lab and study hall. These enhancements certainly make the facility more enjoyable for our patrons. Thank you Pinole Rotary for all that you have done!
