

## **RESOLUTION NO. 2018-32**

### **RESOLUTION OF THE CITY COUNCIL OF THE CITY OF PINOLE, COUNTY OF CONTRA COSTA, STATE OF CALIFORNIA, ADOPTING A LIST OF PROJECTS FOR FISCAL YEAR 2018-19 FUNDED BY**

#### **SB 1: THE ROAD REPAIR AND ACCOUNTABILITY ACT OF 2017**

**WHEREAS**, Senate Bill 1 (SB 1), the Road Repair and Accountability Act of 2017 (Chapter 5, Statutes of 2017) was passed by the Legislature and signed into law by the Governor in April 2017 in order to address the significant multi-modal transportation funding shortfalls statewide; and

**WHEREAS**, SB 1 includes accountability and transparency provisions that will ensure the residents of our City of Pinole are aware of the projects proposed for funding in our community and which projects have been completed each fiscal year; and

**WHEREAS**, the City of Pinole must adopt by resolution a list of all projects proposed to receive funding from the Road Maintenance and Rehabilitation Account, created by SB 1, which must include a description and the location of each proposed project, a proposed schedule for the project's completion, and the estimated useful life of the improvement; and

**WHEREAS**, the City of Pinole, will receive an estimated \$ 315,100 in Road Maintenance and Rehabilitation Account funding in Fiscal Year 2018-19 from SB 1; and

**WHEREAS**, this is the second year in which the City of Pinole is receiving SB 1 funding and will allow the City of Pinole to perform essential road maintenance and rehabilitation projects, safety improvements, and increasing access and mobility options for the traveling public that would not have otherwise been possible without SB 1; and

**WHEREAS**, on August 15, 2017, the City of Pinole presented at a public meeting the January 2016 Pavement Management Budget Option Report to allow public input into our project selection process used to prioritize projects identified within the Report; and

**WHEREAS**, the City of Pinole used a Pavement Management System to develop the SB 1 project list to ensure revenues are being used on the most high-priority and cost-effective projects that also meet the community's priorities for transportation investment; and

**WHEREAS**, the funding from SB 1 in FY 2018/19 will help the City of Pinole maintain and rehabilitate nearly twice as many miles of streets throughout the City of Pinole this year, and SB 1 funding in future years will help us tackle essential road maintenance and rehabilitation projects, safety improvements, and increasing access and mobility options into the future; and

**WHEREAS**, the 2016 California Statewide Local Streets and Roads Needs Assessment found that the City of Pinole's streets and roads have a Pavement Condition Index of 70 and is experiencing a decline in pavement condition and this revenue will help us increase the overall quality of our road system, and over the next decade will bring our streets and roads into a good condition; and

**WHEREAS**, the SB 1 project list and overall investment in our local streets and roads infrastructure with a focus on basic maintenance and safety, investing in complete streets infrastructure, and using cutting-edge technology, materials and practices, will have significant positive co-benefits statewide.

**NOW, THEREFORE IT IS HEREBY RESOLVED**, by the City Council of the City of Pinole, State of California,
